

# TL-SL200-CB

12 VOLT Step Light

The SL200 Step Light brings flexibility to the installer.

With its Dual CCT 2700K or 3000K and Remote Dimmable functions (TL-Remote Sold Separately). The fixture only 1.2 inches thick, allowing for Mounting to the front of a riser or flat surface with 2 screws and a small hole for the wire. The 9 inch width gives ample illumination coverage, while the brass housing design prevents glare and unsightly hot spots.
