## SIZING + GARMENT MEASUREMENTS

## NOTES ON FITTING

The Collins top is intended to have a substantial amount of design ease in it to create a fun and dramatic shape. For this reason, I suggest focusing on your bust measurements (both high and full bust) when selecting your size, so that you get a good fit through the chest.

Use your high bust measurement to select your size and then your bust measurement to work out whether or not you need to do a Small Bust Adjustment (SBA) or Full Bust Adjustment (FBA).

This pattern is drafted for a B cup bust. If your bust is more than a couple of sizes bigger or smaller than your high bust, it might be a good idea to make the alteration. If you have a large bust and decide not to do a FBA, you may want to add some extra length to the front of the pattern to ensure the top doesn't become too short.

If your measurements are between sizes, I suggest selecting the smaller size due to the amount of ease in the pattern.

The pattern is drafted for height of $170 \mathrm{~cm}\left(5^{\prime} 7\right.$ "), with the front hem finishing close to the high hip (approximately in the position where mid-rise jeans would sit). If you prefer your shirts to hit lower on the hip, use the 'lengthen / shorten' lines on the pattern to lengthen the top.

FABRIC REQUIREMENTS

Please note: Ifyou are making your own binding, you may require more fabric. If you are using fabric with a directional print, it is likely you will require more fabric. You will also require more fabric if lengthening.
