

SIZING + GARMENT MEASUREMENTS

NOTES ON FITTING

The **Flynn jacket** is intended to have a substantial amount of design ease, to create an oversized shape, designed for layering. For this reason, I suggest focusing on your high bust measurement when selecting your size. This pattern is drafted for a B cup bust. Due to the large amount of ease, it is unlikely you will need to do a full bust adjustment (or small bust adjustment) for View A. Check the finished garment measurements to ensure it will fit through the waist and hip. For View B, which is closer fitting, due to its sleeveless nature, you may consider this alteration to achieve a better fit through the shoulders and armhole. This pattern is drafted for a height of 170cm (5'7"). Use the LENGTHEN / SHORTEN lines on the pattern to make alterations to the length.

BODY MEASUREMENTS
