Trendium Aroma Branding Program **By Amrit Organic**

Premium - Signature Aroma Body Products

Amrit Organic Premium Designer Aromas are created for the finest Spas of all sizes from The Waldorf Spas and the Fitness Formula Spas in Chicago to the Single Owner Entrepreneur Wellness Spa in Washington.

This Design Program is Professionally Formulated for the Mind-O factor, Body Sensory & Spirit Balance Message of Massage Therapy with an Aroma that markets your Individual Spa Culture and Reputation.

Simply "Your Spa's Exclusive Sensory Aroma"

YOUR VISION

Our Spa designed aromas captures the wellness message and purpose of the aroma branding sensory therapy you desire. These aroma blends, are steps above favorite and personal blending. The history of our designer aromas created just for your spa advances your spa's reputation for endless years. We capture the Trendium in every formula, establishing a superior mission and quality in service and products. A silent branding marketing system that every client will receive. It lingers like the get to have it smell of fresh bake bread or apple pie. Their O-factor will never forget and is received well no matter where they are and immediately, they will be signaled to recall your spa's brand experience, and beg for more and spread the word.

OUR GLOBAL TREND-IUM OFFERING INFORMATION AND ADDED BENEFITS

- Amrit Organic's Designer Oil Program is a Sensory Journey for you and your staff.
- Your location is perfect and our Communications are attentive to your global presence.
- Once an Aroma is created, it is available in Body Professional and Retail Products including Balms, Oils, Masks and Scrubs with the Amrit Label.
- This not a private label Offering rather it is a Proprietary Program which cuts private label costs and stays exclusive to you with healthy purchases and loyalty.
- We design costs to meet needs, which are often more cost effect then off the shelf general spa brands and mass-produced aromas.
- Sizes include ounces, liters and 7 pound/gallons
- All minimums are budget approved and easy to accommodate for a busy independent
- This is the perfect touch for the Spa that wants a unique and silent marketing Culture Branding for offering a signature aroma (pre-blended) without actually custom blending Design Aromas can create for you the marketing of a destination spa location in your community.
