Kmeria Glisse

Bio- Active Organic Botanical Oil for
Derma Plane and Post Resurfacing

Critical Factors

Professional Derma Plane, and Resurfacing services create critical factors upon the surface of the skin. Like opening the skin to infection, treatment trauma that can cause inflammation, irritation, and even pain and discomfort.

For these high-end corrective and anti-aging services it is vital that the practitioner has a powerful recovery oil that instantly begins the repair phase from the broken protection barrier with powerful anti-inflammation, antioxidant, and vitamin nutrient properties. This product must aid with significant repair, comfort to calm, and the softening of the skin's mantel, leaving the skin with wrinkle protection and in a healthier state with home care.

Kmeria Bio Active Organic Serum is excellent for during and post derma plane, shaving, and after post resurfacing treatments as a serum for layering and treatment under sunscreen. An additional product for the most post-possible inflammation situations is **Post Perfect Organic. Post Perfection** was formulated for Post CO2 Laser and Micro Needle Treatments. This post product is the most comforting healing balm that instantly corrects inflammation, repairs, and brings the skin back to a calm state with beautiful results.

Kmeria Anti-Aging OBADPO is a non-traditional hand-crafted organic product made exclusively for professional skin derma plane, and resurfacing services.

Bio -Active Ingredients

Virgin organic cold pressed or distilled botanicals with bio-active properties. Apricot, Camilia, Go-ji Berry. PLUS, No Fragrance or Aroma.

These oils contain powerful anti-aging factors rich in super nutrients within their physical attributes, complexity, and delivery systems.

Kmeria Derma Plane Glisser Oil Ingredient Power Points

Camellia Org. is the botanical Japanese oil of youth. This botanical oil is considered the finest natural source of antioxidants, its bio active properties calm inflamed and irritated skin and add protective deep moisture. It is so light its recommended for acne skin types.

Apricot Org. Oil, because of its natural high level of Vitamin A & E, it instantly smooths and softens skin. It also deeply moisturizes the skin providing strength and vibrancy.

Goji Berry Org. Oil is another natural super antioxidant laden Bio Active Botanical ingredient. It aids against dehydration, chapped and flaky forming post tissue effects. It rejuvenates and supports with cellular protecting fatty acids.

These wonderful Bio Active Botanical Oils are chosen for powerful results and anti-aging support. They are light weight with fragile active molecules, so they penetrate quickly, immediately releasing nutrients and never leaving an oily slickness.

Kmeria Derma Plane Glisser oil is an excellent addition to Facial Massage or a corrective bio-active serum and a serum oil for the most sensitive and problematic skin's that want anti-aging with No toxins, fragrance, synthetic vitamins, color, or fillers added, just pure organic science.

Kmeria Glisser Serum for Retail

This formula is different because its properties are combined to continue healing and soothing, while correcting any inflammation.

This formula begins with the same three organic Bio-active organic oils plus an infusion of super fruits including Cranberry Organic, Raspberry Organic and Argan Virgin Organic for their super fruit properties for anti-wrinkle support, cellular strength and protection, and comforting properties.

Kmeria Glisser Serum take home retail roll-on is the most excellent anti-wrinkle comfort serum for layering under other moisture and sunscreen products. The best skin types are all skin's wanting more anti-aging support and for those with challenged skin and acne issues. It is the finest light weight botanical oil with super fruit benefits made naturally.
