

“Beautiful Eyes” is Raw Skin Care’s first Organic Eye Care Product Oil formulated with Anti-aging and Anti-inflammatory Organic Ingredients.

So comforting and easy to apply for instantly calming delicate tissue and conditioning with anti-wrinkle plant oils; keeping our Eyes healthy with helping to prevent damage. Use Sun Screen and Glasses too!

Other pluses with Beautiful Eyes is easy to carry in your purse and used several time a day...especially in Dry Air-Condition Offices and Homes and perfect as your first light weight and powerful Organic Eye Care product.

Now Raw Skin Care offers a richly vitaminized and deeply emollient balm for the eye area and a campion balm for the face.

“Eye C”

Benefits Include:

- Skin brighten and texture smoothing around the eyes
- Fine line repair and deep line softening
- Aids in reducing crepey -saging skin and eliminating yellowing tone
- Aids in relieving Puffiness

“Eye C” is rich in Vitamin C from Organic Mandarin, Blood & Sweet Oranges with the addition of Organic Lemone and Lime (Well Known for anti-aging, healing and preventative wrinkle properties). It’s emolliancy and complete deep conditioning comes from Organic Shae, Palm Fruit sterin and Coconut Plant Oils.

Excellent for dry to very dry skin types and especially those that need and desire extra Preventative Eye Tissue Care. Use by taking a small amount and warm between fingers to melt C crystals and apply around delicate eye area...include brows for softening hair and repairing the skin underneath.
