### **Standard 30-Year Limited Residential Product Warranty**

FramelAll Fence Products (“FramelAll”) warrants to the original **residential** purchaser (“Purchaser”, “you” or “your”) that, for a period of thirty (30) years from the date of original purchase, under normal residential use and service conditions, FramelAll Composite Fencing shall be free from material defects in workmanship and materials, and shall not split, splinter, rot, or suffer structural damage resulting from termites, fungal decay or salt air erosion.

For purposes of this warranty, a ‘residential application’ shall refer to an installation of the FramelAll product on an individual residence.

### **Standard 30-Year Limited Commercial Product Warranty**

FramelAll Fence Products (“FramelAll”) warrants to the original **commercial** purchaser (“Purchaser”, “you” or “your”) that, for a period of thirty (30) years from the date of original purchase for a commercial application, under normal use and service conditions that FramelAll Composite Fencing shall be free from material defects in workmanship and materials, and shall not split, splinter, rot, or suffer structural damage resulting from termites, fungal decay or salt air erosion.

For the purposes of this warranty, a ‘commercial application’ shall refer to any installation of the FramelAll product other than on an individual residence.

There are two versions:

1. Full System Instructions to be followed when FramelAll pickets & posts are used.
2. Picket Only Instructions to be followed when dry and stable wood posts are used in conjunction with FramelAll composite pickets.

Use of the full system of FramelAll pickets, aluminum rails and galvanized/steel posts is highly recommended.

Installations that do not conform to the manufacturer’s instructions will void any and all warranties.

### **Warranty Period:**

- Residential Application: This product warranty shall be valid for 30 years from the date you purchase the product.
- Commercial Application: This product warranty shall be valid for 30 years from the date you purchase the product.

**Warranty Transfer:**

Warranty transfer: for residential applications this warranty may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent buyer of the property upon which composite fencing products were originally installed. With respect to a commercial application, this warranty is freely transferable to subsequent buyers of the property upon which composite fencing products were originally installed.

**Fade and Stain Limited Warranty is Provided to Residential & Commercial Application only.**

While the Product is designed to resist fading, no material is fade-proof when subjected to years of exposure to ultraviolet (UV) rays and the elements.

Accordingly, the FrameltAll warrants to the Residential & Commercial Purchaser that, for a period of 30 years from the date of the Residential & Commercial Purchaser’s purchase of the Product, under normal use and service conditions, the Product’s color will not fade from light and weathering exposure, as measured by a color change of more than five Delta E (CIE) units for the first five years of the warranty period and of more than six to 10 Delta E (CIE) units prorated for 20 years from year six to 25 of the warranty period as listed in the table below.

Years Since Purchase Maximum Color Change in Delta E (CIE)	
YEARS	CIE
0 – 5	5
6 – 9	6
10 – 13	7
14 – 17	8
18 – 21	9
22 - 25	10

**Exclusions to Warranty:**

FrameltAll does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any product failure, product malfunction, or damages attributable to:

1. improper installation of composite fencing products and/or failure to abide by FrameltAll’s installation guidelines, including but not limited to improper gapping;
2. use of composite fencing products beyond normal use and service conditions, or in an application not recommended by FrameltAll’s guidelines and local building codes;
3. the product has been installed on land or a support structure that is not stable, moves, collapses or is susceptible to distortion or land subsidence.
4. products have been damaged by animals including but not limited to pets, wildlife, and vermin.
