## WEIGHT

4kg net, 5kg gross

## WALL PLATE

Round wall plate (supplied)  
Ø 124mm  
89mm/3.5in mounting positions

## DESIGN NOTES

Kins is deeply glamorous but the design has humble origins: it was inspired by the sink of an old-school VW camper van which has a very pure, very pleasing aesthetic. We like to think it's come a long way since then.
