LIGHT SOURCE

1x LED E27/26 lamp not supplied
120/240V,

WEIGHT

10kg net, 12kg gross

WIRING

200cm fabric cord provided
Inline switch on cord

YACHT FIXING

Yacht / Surface mounted available

DESIGN NOTES

As a form, Masina is very simple with classic proportions. It's also extremely sophisticated. The warmth of the light is key, and details make the difference. A machined brass base would have been fine but we wanted to echo that halo of light with a white matte lacquered finish. A subtle twist but, for us, an important one.
