

ELEGANT MODERN DESIGN

The Mauka Cover is our architecturally inspired low profile outdoor outlet cover. Designed and constructed from the highest quality materials.

WEATHERPROOF

We built the Mauka Cover to endure the elements. Rated for outdoor use in wet and rainy locations when the cover is in the closed position, and rated for damp locations while the outlet is actively in use.

BUILT TO LAST

The Mauka Cover is built and engineered to last for decades. Heavy duty diecast zinc alloy construction, stainless steel hardware, and an ultra resilient outdoor rated finish for ultimate protection against UV and corrosion. The Mauka cover is built for harsh climates and extreme weather.

UL LISTED & COMPATIBLE

UL Listed and certified to meet National Electric Code Standards for Damp Locations. Fits standard rectangular GFI outlets. Vertical use only.

EASY INSTALLATION & WARRANTY

The Mauka Cover is easily installed in 5 minutes or less. We proudly stand by our product with an ironclad 3 year warranty.
