

HK Expanded Show Hostess Description and Requirements

What is an HK Expanded Show Hostess?

- If there is currently a Hannah Kate Hostess in your immediate area, we would love to offer you the opportunity to become an HK Expanded Show Hostess. In this case, your local Hannah Kate Hostess will schedule a day to host a trunk show in your home with your personal customers!
- The Hannah Kate Multi-Show Hostesses must attend, oversee, and “run” all Expanded Shows on her schedule ***each*** show season.
- You will receive a discount on your personal order as well as free shipping.
- If we receive your application to become an HK Expanded Show Hostess after our show season has begun, it may be the following season before we can schedule your show. In this situation, your local Hannah Kate Hostess may not have enough time scheduled for additional shows in that particular season. However, we will be able to get the process of setting up your show started so all will be ready for following season!
- Renewing an Expanded Show is dependent on the show sales from the previous season.
