Ms TSUI and Mr WONG,

Donation of KAZE Masks

On behalf of The Hong Kong Society for the Aged (SAGE), I would like to thank wholeheartedly for NCK Limited's kind donation of 4,000 KAZE masks. We will swiftly distribute the masks to our service users living in Tsuen Wan, Kwai Tsing and Hong Kong East, with due acknowledgement of your donation. We will also take this opportunity to educate our service users the importance of personal hygiene and maintaining a healthy lifestyle.

As the coronavirus spreads around the world and the pandemic will probably continue in Hong Kong, older people who have limited resources have been facing continued shortage of personal protective equipment. They were unable to buy masks and cleaning and disinfectant items that meet specified safety requirements. They even had to re-use surgical masks, which may lead to infection risk. NCK Limited's kind concern in these difficult times means a lot for them.

We look forward to your company's continuous support. Together, we can get through the coronavirus pandemic.

Yours sincerely,

Diana KAM

Acting Executive Director
