Dear Mr. Wong,

## Heartfelt gratitude for your donation

On behalf of the Hong Kong Society for Rehabilitation, I would like to extend our heartfelt gratitude for your generous donation of anti-coronavirus protective supplies to our Society during the infectious disease outbreaks in different places across the world spanning months.

The timely donated items would be distributed to the service users, in a prioritized and expedited process. With your staunch support, we will be able to promote a better and more inclusive society for persons with disabilities in Hong Kong.

Once again, thank you very much for your kind donation and look forward to your continuous support.

Yours sincerely,

LEUNG Pui-yu, Pamela (Dr.) Chief Executive Officer
