Strengthen your brand
Enhance standard envelopes by turning them into eye-catching branded mail with five customised logos / slogans.

Fast accurate postage re-crediting
Replenish the Parcelsend+ 24-hours a day with simple one-touch refills quick, secure and hassle-free.

Keep an eye on postage costs
INVIEW™, the web-based, easy to use, online reporting feature allows you to:
• Have visibility of your postage expenditure by class and format
• Extract information and present simple graphical analysis
• Monitor spending to identify waste e.g. overuse of first class or large letter format
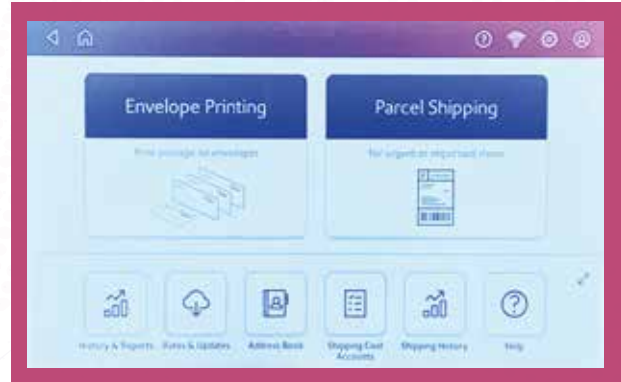

Better connected
The new Parcelsend+ can now connect to a secure server via LAN, PC or Wifi connection. This enables faster communication and allows services such as postal tariff changes, software updates and slogans to be downloaded quickly and effortlessly to the franking machine.

Easy to use
All controls are fully integrated on one clear control panel with user friendly instructions. This will guide the operator through each stage of processing your mail. This will make using the machine very easy and useful to everyone.

* 18% savings versus Royal Mail® 1st class stamps and 21% savings verses Royal Mail® 2nd class stamps. Savings do not include equipment running costs or consumables. No minimum volumes needed (prices correct as of 3rd April 2023).

** Save up to 75% versus Parcelforce® Worldwide non-contract prices via www.parcelforce.com (prices correct as of 25th March 2020).

*** Mail-Ink Plan is based on a fair use policy up to 5 ink cartridges per year.
