Australia

# Where wallpaper fears to tread

Composition® Peel 'n' Stick Tiles are the workhorse of acoustic wallcoverings, in tile form. As a durable, high-performance alternative to paint and wallpaper, Composition Peel 'n' Stick Tiles maintain a rich, solid colour and soft, velvety finish regardless of what life throws their way. The hook-and-loop receptive pile and pinnable self-healing surface lends itself to creative and education focused spaces—a blank canvas for budding ideas and visual expression. With a simple adhesive backing, Peel 'n' Stick Tiles offer a modular approach to the traditional acoustic wallcovering; easily mix and match tile shapes and colours to create stunning, practical feature walls.

Made from 100% polyester fibre, Composition Peel 'n' Stick Tiles don't require safety equipment, spray adhesive, or dry time to install.

## Customisation

As creators and innovators, we understand your pursuit of the bold and unusual, the rare and exceptional—the brave, colour-outside-the-lines ideas. Every space you design is unique, therefore, every element—from floor to ceiling—should be tailored to fit. Our customisation tools offer unique avenues for creative expression to help you achieve your vision—all that's left to explore are the boundaries of your imagination.

Our customisation capabilities include Print, Etch™, Groove, Precision Cut, Mould and Press, and Peel 'n' Stick.

## Caring for the environment

Composition Peel 'n' Stick Tiles are manufactured using 100% polyester fibre and contain a minimum of 60% recycled fibre (from PET plastics). Our products are designed to be recycled at the end of their life too.

We have continual improvement programmes in which we implement a range of initiatives to mitigate the environmental 'hotspots' that we have identified. Our products are GreenRate Level A, Health Product Declaration (HPD), and CDHP Standard certified.

Composition Peel 'n' Stick Tiles are DeclareSM certified to be Red List free and can be used in Living Building Challenge projects. Autex has a high functioning Environmental Management System (ISO 14001) to enhance our environmental performance and contribute to sustainable development

Declare.
