Applied elegance

Visage™ is an acoustic felt wallcovering made from 100% polyester fibre. Designed as an alternative to paint and wallpaper, Visage has a sleek, pinnable surface and high-performance acoustic backing—both decorative and functional in operation. Visage is supplied in roll-form and installed in vertical drops for a seamless application.

Caring for the environment

Visage is manufactured using 100% polyester fibre and contains a minimum of 60% recycled fibre (from PET plastics). Our products are designed to be recycled at the end of their life too.

We have continual improvement programmes in which we implement a range of initiatives to mitigate the environmental 'hotspots' that we have identified. Our products are GreenRate Level A, Health Product Declaration (HPD), and CDHP Standard certified.

Visage is made from Cube which is DeclareSM certified to be Red List free and can be used in Living Building Challenge projects. Autex has a high functioning Environmental Management System (ISO 14001) to enhance our environmental performance and contribute to sustainable development.

Declare.
