ADVICE

- For best performance, please make sure to turn the unit OFF before inserting or removing batteries. Otherwise, the unit may malfunction.
- All packing materials, such as tape, plastic, sheets, packaging locks, wire ties and tags are not part of this toy, and should be discarded for your child's safety.
- Please keep this user's manual as it contains important information.
- Please protect the environment by not disposing of this product with household waste.

GETTING STARTED

Take the **EduQuiz** out of the storage slot.

Battery Installation

The **EduQuiz** operates on 2 AAA (LR03) batteries.

1. Locate the battery cover on the back of the unit.
2. Open the battery cover with a screwdriver.
3. Insert 2 AAA (LR03) batteries.
4. Close the battery cover securely.

SLEEP MODE

1. If the **EduQuiz** is not active for more than 2 minutes, it will automatically go into sleep mode to save power.
2. Press the power button again to restart the game.

HOW TO PLAY

1. Select and insert a learning card into the slot.

2. Press the power button on the bottom of the card to start.

3. Read the question of that card then press red dots to answer.

4. Once you press a red dot, it will tell you the answer is correct or incorrect by flashing the green light or the red light.

CARD COMPARTMENT

Includes a card compartment to store all cards on the back of the EduQuiz.
