

PROFESSIONAL BOOT REPAIR SERVICES

Your boots are an investment for your feet – and to keep them in good shape and retain their original fit, proper repair work is essential. Drew's Repair Technicians treat each pair like it's their own, so you can be assured your boots will be returned in the best possible condition. Drew's will repair all makes and models of boots, work boots, western boots, pac boots and shoes. Care is taken to assure the best possible work is done. Proper repair is crucial, in regard to the handmade boots sold at Drew's.

Specialty Work

Drew's repair technicians can offset heels to help correct supination or pronation. Lifts or rockers can be added as needed. Rawhide counters can be added to western boots as well as saddle vamps. Spur shelves can be added and heel heights can be changed on western boots. Ask a Drew's Repair Technician about your sole options.

Repair Materials

Drew's uses only the top grade materials available. Original materials are used when possible to restore your boots to like-new condition. Leather soles used for repair are superior to original soles and will wear longer with greater moisture resistance. Oil tan or dry tan soles are available as well.
