

HOW TO HANG

THE ADARA WALL HANGING

Before you get started, let's make sure you have everything you need. When you opened up your package, you should have found 1 wall hanging, 1 wooden bar already inserted into the fabric pocket, 2 eye hooks (one at each end of the wooden bar), and 2 nails. You will also need to grab a level, hammer, and pencil from your tool box!

STEP-BY-STEP

STEP 1: HOLD IT LEVEL

Hold the wall hanging (A) flush against the wall in the desired location. Don't forget to use your level to make sure it's straight!

STEP 2: "X" MARKS THE SPOT

Once the wall hanging is exactly where you'd like it, use a pencil to mark the center of the two eye hooks (C) on the wall. After you have the two holes marked, you can set the wall hanging aside.

STEP 3: TIME TO NAIL

Use your hammer to nail into the two spots marked with pencil. Leave nails (D) sticking out about ½ inch.

STEP 4: LET'S HANG

Grab your wall hanging (A) and place the eye hooks (C) over the nails (D) in the wall. Just like that, you have yourself a beautiful Moroccan wall hanging!
