

## HOW TO ASSEMBLE

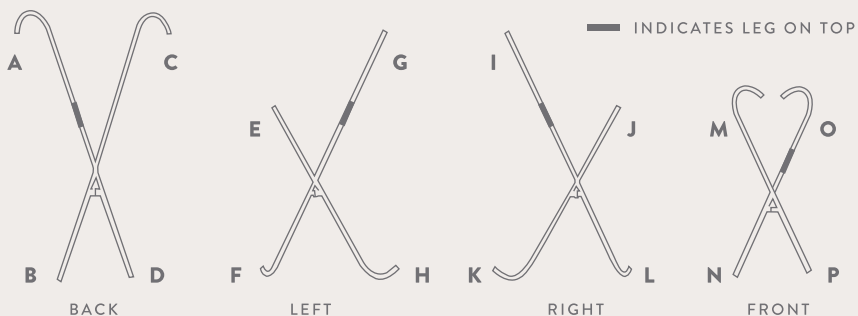

# THE PALERMO BUTTERFLY CHAIR

---

This beauty can be put together in three steps.

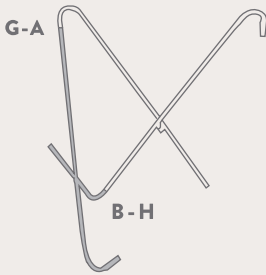

Be sure to grab a friend to help out – trust us, this assembly will be much easier if you have an extra hand. Just follow the guide on the back of this card, and you'll be lounging in no time.

First, lay out all four pieces as shown below. The legs may have gotten turned around in shipping, so you might need to swivel and rotate the legs to get everything lined up just right.

### STEP 1: CONNECT BACK + LEFT PIECES

Ask your buddy to hold the BACK piece in a spread out “X” with the curved ends at the top. Then, insert end **G** of the LEFT piece into **A** of the BACK piece. Once those are connected, insert end **B** of the BACK piece into **H** of the LEFT piece.

### STEP 2: CONNECT BACK + RIGHT PIECES

While your buddy holds the assembled pieces, grab the RIGHT piece and insert end **I** of the RIGHT piece into **C** of the BACK piece. Then, insert end **D** of the BACK piece into **K** of the RIGHT piece. You’re almost there!

### STEP 3: CONNECT FRONT PIECE

While your friend holds the base steady, pick up the FRONT piece (with curved ends at the top). Insert end **N** of the FRONT piece into **F** of the LEFT piece and end **P** of the FRONT piece into **L** of the RIGHT piece. Finally, you’ll insert end **E** of the LEFT piece into **M** of the FRONT piece and **J** of the RIGHT piece into **O** of the FRONT piece. Don’t be afraid to use a little force to get those last pieces connected!

Once all your pieces are connected, put the cover on, sit down, and treat yourself to a glass of wine!
