

# HOW TO ASSEMBLE THE PALERMO BUTTERFLY CHAIR

---

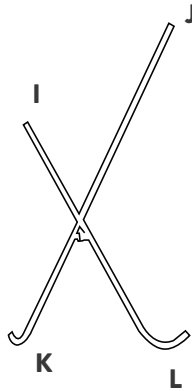

These beauties can be put together in just three steps, all of which will be quicker and more enjoyable (trust us) if you grab a buddy and a glass of wine. So find the nicest person you know, the best wine you have on hand, and follow the step-by-step guide on the back of this card.

## STEP 1

### CONNECT THE BACK + RIGHT SIDE

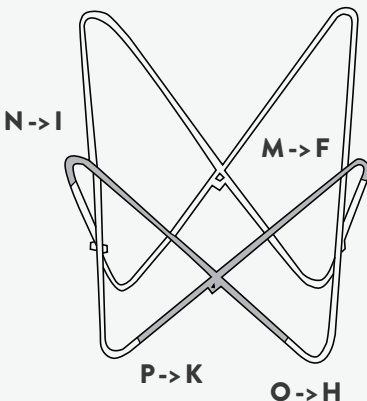

Ask your buddy to hold the tallest back piece in a spread out “x” (see left). First, connect the top back right corner (A + J). Next, have your friend keep a firm grip on that corner while you connect the bottom back right corner (C + L). Put your friend’s foot on the bottom corner to hold that in place.

## STEP 2

### CONNECT THE BACK + LEFT SIDE

Give your helper a high five for their balancing abilities and connect the top back left corner (B + E). Do the same with the bottom back left corner (D + G). Ask your friend to keep their hands on the top corners and feet on the bottom corners to stabilize everything. Almost done!

## STEP 3

### CONNECT THE FRONT PIECE

It’s time to connect the last piece – do this the same way you did the others: front top right (M + F), then front bottom right (O + H). Now, the final connection: front top left (N + I), then front bottom left (P + K). Don’t be afraid to use a little force. ALL DONE! Put the cover on, sit down, and treat yourself to that glass of wine.
