

TECHNICAL DATA SHEET

BIG BLUE

TIRE MOUNTING LUBRICANT

Used for quick mounting and dismounting of tires. Lubricates and renews rubber and vinyl parts.

ADVANTAGES

- Contains effective rust inhibitors to prevent rust on tire rims.
- Anti-slip formula eliminates slippage of tire on rim. Seals and prevents bead air leaks.
- OTHER USES — Lubricates and renews rubber and vinyl parts.

DIRECTIONS

MOUNTING

Brush or spray on bead and rim, mount tire on wheel and inflate.

DISMOUNTING

After breaking bead, apply to bead and rim and dismount tire.

SPECIFICATIONS

Physical Form	Liquid
Color	Blue
Scent	None
Specific Gravity	1.005
Density	8.38 lbs. per gallon
Total Solids	4.8%

WARNING:

Causes eye irritation.

Keep out of reach of children.

SHIPPING WEIGHT IN POUNDS:

Case 4 Plastic Gallons	35.4 pounds
5 Gallon Plastic Pail	43.9 pounds
