FASTBALL is an all purpose cleaner for any spray and wipe job from light duty to heavy, gross soil. Removes grease, ink, crayon, pencil, lipstick, greasy food soils, smoke film, with no excess scrubbing, no rinsing and no residue. Ready to use.

Cleans deep, cuts through and lifts soil.

ADVANTAGES

- Ready-to-use convenience. No measuring or mixing required . . . just spray on and wipe away soil.
- Removes dirt, grease, oily films, fingerprints, crayon, ink, pencil marks, smoke film, etc.
- Use on painted surfaces, walls, floors, counters, vinyl, office equipment, utensils, range hoods, truck exterior and interior, fiberglass, aluminum and many other washable surfaces.
- Use on carpet as a spot cleaner
- Contains no ammonia or petroleum solvents.

DIRECTIONS

SPRAY CLEANING

Apply with trigger sprayer. Wet a small area with Fastball. DO not allow to dry. Using a soft towel or cloth, wipe until soil is dissolved. If needed re-wipe with damp towel or cloth.

To clean office equipment surfaces that should not be directly sprayed, first apply to towel or cloth, then wipe on surface to be cleaned.

BLACK STREAK REMOVER. Excellent for removing black streaks from aluminum and fiberglass RV's and boats.

CAUTION: Maybe harmful or fatal if swallowed. May cause irritation to eyes and skin. Keep out of reach of children.
