

TECHNICAL DATA SHEET

ORANGE 90

**ORGANIC
DEGREASER • DEODORIZER • DECLOGGER**

ORANGE 90 is an all natural, solvent degreaser for extremely heavy duty soils. It contains no petroleum or chlorinated solvents. ORANGE 90 is 100% active, a blend of 90% di'Limonene and 10% detergent. It quickly penetrates and dissolves grease, oil, dirt, cosmolene, gum, rubber marks, carbon, creosote, inks, tar and asphalt.

ADVANTAGES

- All natural solvent degreaser. Contains a blend of 90% d'Limonene and 10% detergent surfactants for 100% activity.
- Excellent choice for removing those tough-to-clean substances like gum.
- Declogs and maintains drain lines and grease traps.
- Will quickly penetrate and dissolve grease, oil, dirt, cosmolene, rubber marks, carbon, creosote, inks, and many other stains.

TO USERS in CALIFORNIA (does not comply with South Coast AQMD VOC regulations) and OTC STATES, ORANGE 90 MUST be diluted 1 part product with no less than 24 parts water prior to use to meet 4% VOC for use as a general purpose degreaser.

VOC Category: General Purpose Cleaner

DIRECTIONS

Removing gum: Dilute 1 part ORANGE 90 with 2 parts water. Apply diluted product, allow product to penetrate soil. Agitate, wipe or rinse away soil.

Maintaining drain lines & grease traps: Use weekly to keep drains free flowing. Pour 8 ounces down drain. Let stand for 10 minutes, then flush drain with hot water. If drain is slow, repeat every 2 to 3 days until drain flows freely.

Deodorizing: Add 4 ounces to a gallon of cold water. Spray or mop onto surface. Controls odors around dumpsters, septic tanks, sewage treatment plants, kennels. Can be applied by drip method or fogging around sewage treatment plants.

Degreasing: For general cleaning and degreasing use 4 ounces to a gallon of water. Let stand for several minutes then rinse thoroughly.

Tar, Asphalt and Automotive Undercoating: Apply undiluted to soiled surface by spraying or mopping. Agitate with soft bristled brush if necessary. Once soil is emulsified, rinse with clear water. Do not allow product to dry on surface.

This product is designed for industrial and institutional use by trained maintenance personnel. All directions and precautions must be followed exactly.

SPECIFICATIONS

Physical Form	Liquid
Color	Pale Yellow
Scent	Citrus
Specific Gravity	.84
Total Solids	10%
Total Solvent	90%

WARNING:
May be harmful if swallowed.
Causes eye irritation.
May cause respiratory irritation.
Keep out of reach of children.

SHIPPING WEIGHT IN POUNDS:

Case 4 Plastic Gallons	30.9 pounds
5 Gallon Tighthead	43.5 pounds
