YOUR CITY MARKET BAG

Personalizing the Apolis Original Market Bag to the respective city and providing smart local distribution within respective trades (ie: boutique, hotel, restaurant), has been key to creating a sense of urgency and impulse shopping. The bags are not available in other locations to find a better price, all locations sell the bag at a minimum of \$78 USD, a few specialty accounts mark the bag up quite a bit more. The bags have become a souvenir to represent recent travels or a symbol of local pride.

There are over 2,000 independent specialty stores (ie: Le Bon Marché, Lane Crawford), hotels (ie: Four Seasons, Montage, Ritz Carlton) and food & beverage marketplaces (ie: Farm Shop) across 30 countries that have their own local neighborhood Market Bag. Each location sells on average 45 bags every month.

- 2,000 SPECIALTY STORES ACROSS 30 COUNTRIES
- EACH LOCATION SELLS ON AVERAGE **45 BAGS / MONTH**

SOCIAL IMPACT

Every market bag is handcrafted in Bangladesh by hundreds of mothers who receive Fair Trade-certified wages, annual profit dividends, and a retirement fund. The bags are then shipped to Los Angeles, CA, where a growing team of 13 people print one-of-a-kind customizations onto the bag.

Learn about one of the Apolis Market Bag Cooperatives that survived the world's largest garment humanitarian crisis.
