

Congratulations New BUG-A-SALT owner,

Now you have the power to eradicate those pesky houseflies with your new BUG-A-SALT! I want you to know that this product does require skill. You need to awaken your primal hunting abilities, you must be patient, practice, & don't get frustrated. Build some targets for yourself with a sheet of tin foil & a marker, practice makes perfect. Also, sand & dirt will DESTROY your gun & your warranty! You have been warned...

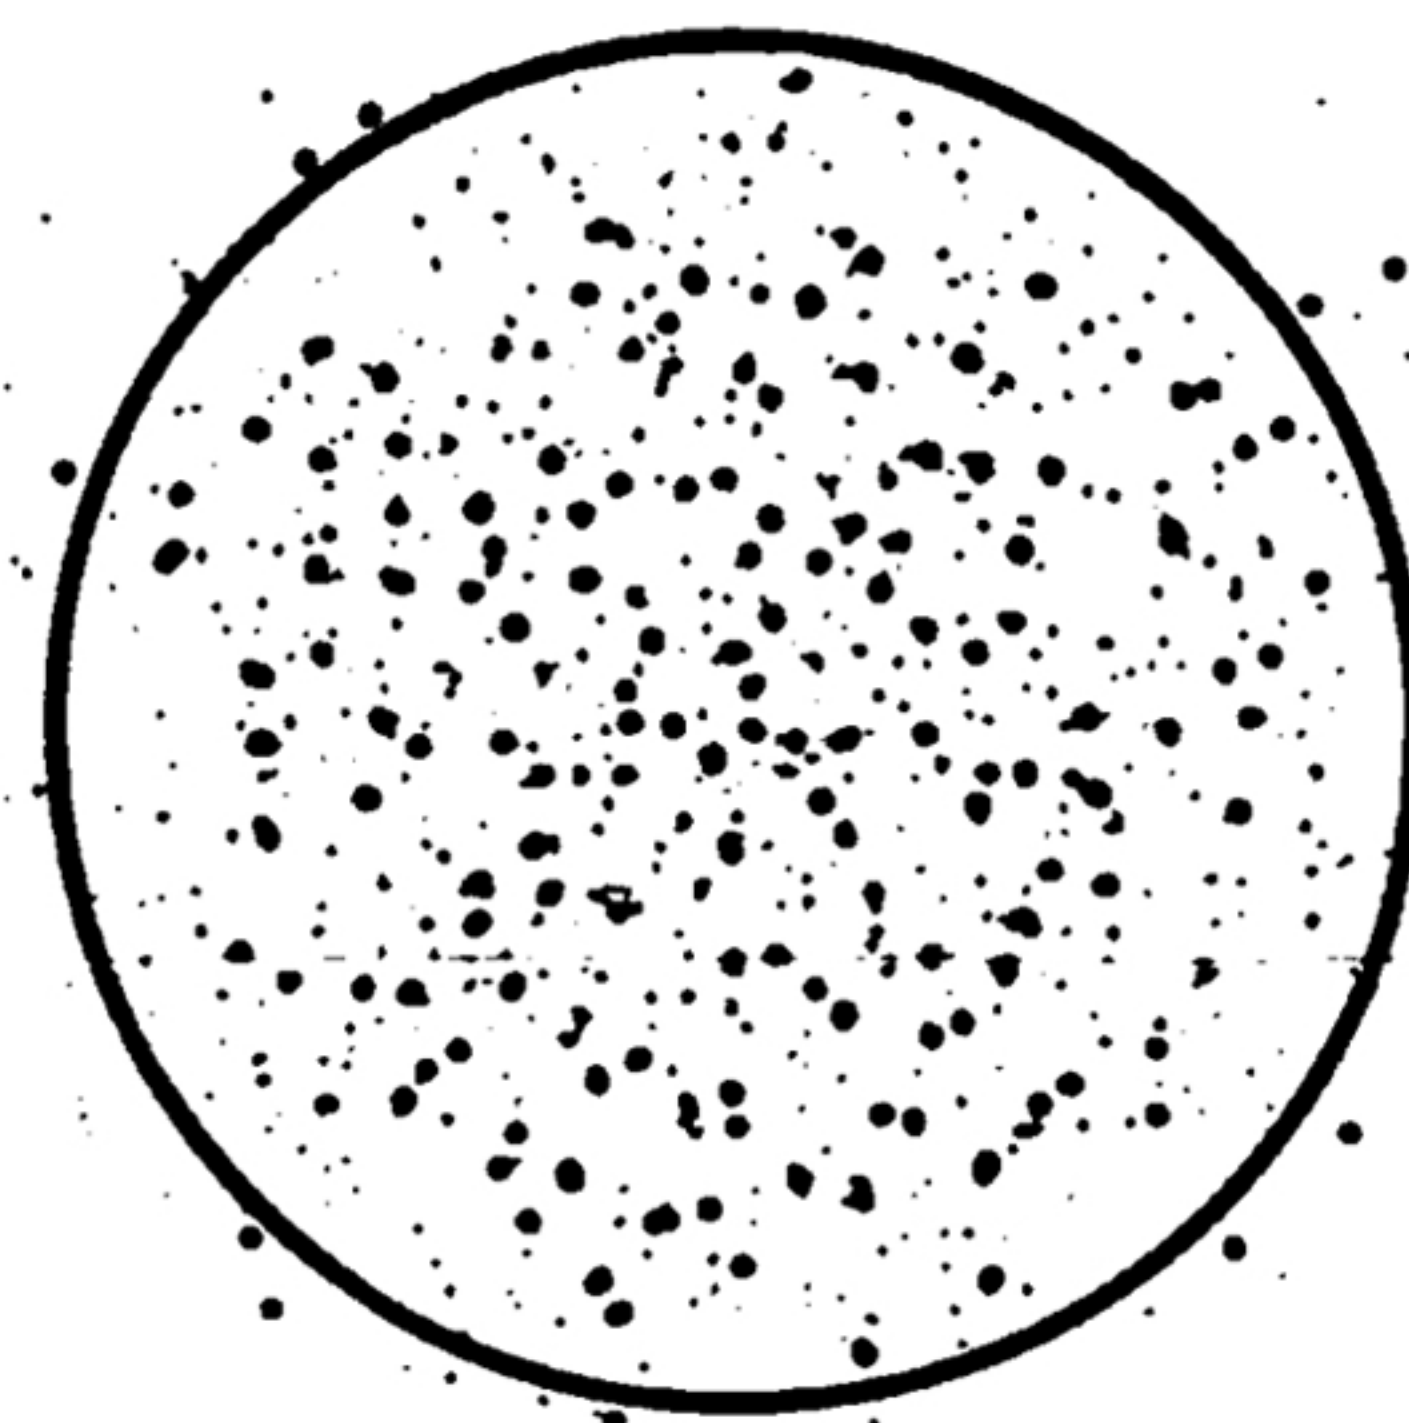

If you have any questions or issues, please call Lorenz's hotline: 310-392-3288 or email us at Support@bugasalt.com. You are also covered by our 1 year comprehensive warranty & 2 year limited warranty. We'll make it right!
