BLEED - Graphics and backgrounds that come right to the edge of the trimmed cards must extend past the trim line by 1/8" on each edge.

TRIM LINE - The final trim size of your cards ordered.

CRITICAL MARGIN - All important text and elements should be at least 1/8" away from the trim line.

PLEASE NOTE - Submit your artwork on a separable layer or print separately to prevent ink bleed over the trim line. Do not fill the last inch of your final art-ready art.
