FORMULA 1 TEAM

McLAREN RACING CAR CARE RANGE

The McLaren Racing Car Care range has been created without compromise to ensure that it complements the team's ethos and dedication to excellence.

A photograph of a McLaren pit crew in orange and blue uniforms working on a race car. The crew members are wearing blue helmets and have 'Gulf' logos on their backs. They are focused on their tasks, with some kneeling and others standing. The background is a dark, industrial setting, likely a garage or pit lane. The overall scene conveys a sense of precision and high performance.

PRECISION

The entire range has been meticulously researched and formulated. This is a collection of precision products that delivers a total car care solution to the discerning consumer.

PERFORMANCE

Performance is key in the ultra-competitive world of motor racing. McLaren Racing Car Care has been created to be effective throughout the range to ensure a total solution for the home enthusiast.

PROTECTION

Racing at the pinnacle of motorsport requires painstaking preparation. McLaren Racing Hydro Seal is at the forefront of exterior auto protection making it possible for motorists' machines to look immaculate on their own driveway.

EXTERIOR PRODUCTS

McLaren Wash & Wax

McLaren Wash & Wax is a car wash shampoo suitable for automotive paintwork. The foam helps clean the car with ease.

Using just 3 cap-fulls within a 10 litre bucket of warm water, the foam will form and should be applied to the car from the roof downwards.

Once the car has been covered, rinse off with clean water and dry the car with a chamois.

RODUCT CODE: **MCL3126**

SIZE: **500ML**

McLaren Waterless Wash & Wax

McLaren Waterless Wash & Wax uses a special formulation to allow a single application to wash and wax your car.

The unique formulation allows the dirt to be drawn into the sponge as you work around the car. As the product is applied it pulls the dirt onto the sponge.

Once the paintwork hazes over, buff with a microfibre cloth to create a gloss finish.

For best results remove any heavily soiled areas or excessive mud before use.

PRODUCT CODE: **MCL3034**

SIZE: **500ML**

McLaren Snow Foam

McLaren Snow Foam is a high foam car wash, designed to help clean your car.

The formulation can be used in either a power washer or hand sprayer. The concentrated formula allows the product to cling to the dirt and can be left on the car for 5 minutes.

For best results, once applied clean in a circular motion using a sponge and then remove with clean water.

PRODUCT CODE: **MCL2990**

SIZE: **500ML**

7 McLaren Racing Car Care Range

McLaren Red Wheel Cleaner

McLaren Red Wheel Cleaner changes colour when it comes in to contact with dirt on your wheels.

Wet wheels with clean water and spray the colour changing wheel cleaner onto your wheels.

Wait for product to turn red and then wash off immediately. Use a brush to remove on heavily stained wheels.

PRODUCT CODE: **MCL3041**
SIZE: **500ML**

McLaren Glass Cleaner

McLaren Glass Cleaner is a streak free formulation, which can be used on all glass, plastic and mirror surfaces.

Easy to apply by spraying onto the surface and spreading over the glass with a clean cloth, then buff off with a microfibre cloth to leave a crystal-clear finish.

PRODUCT CODE: **MCL2945**
SIZE: **500ML**

McLaren Fallout Remover

McLaren Fallout Remover is designed to remove daily contaminants from car paintwork.

Easy to use during your regular washing of the car, the special colour changing formula appears red when in contact with contaminants on the car paint work, so you can easily see and remove them.

PRODUCT CODE: **MCL3300**

SIZE: **500ML**

McLaren Bug & Tar Remover

McLaren Bug & Tar Remover is a special formula to remove tar spots and bugs from both paintwork, windscreens and side windows.

Quick and easy to use, spray directly onto the spots to be removed, allow the product to soak in and then remove by lightly rubbing the area.

For heavy tar spots a second application maybe required. Safe for all types of paint finishes.

RODUCT CODE: **MCL3317**

SIZE: **500ML**

McLaren Gloss Tyre Dressing

Gloss Tyre Dressing is a water based formula which is easy to apply and gives a high gloss finish.

Ensure tyre and rubber surfaces are clean prior to use.

PRODUCT CODE: **MCL2983**

SIZE: **500ML**

McLaren Quick Detailer

McLaren Quick Detailer uses a special formula to produce an instant shine to the car paintwork.

With a quick spray on wipe off application, it can be used on both paintwork and glass. Use regularly to keep the car paintwork to a high gloss finish.

PRODUCT CODE: **MCL3324**

SIZE: **500ML**

McLaren Performance Polish

The polish is designed to improve the shine of the paintwork on the car, suitable for all painted surface on automotive vehicles.

The polish is easy to use and should be applied in circular motions with a clean cloth allow to haze and buff off with a microfibre cloth.

For best results work on a panel at a time and do not use in direct sunlight.

RODUCT CODE: **MCL3003**

SIZE: **500ML**

McLaren Hydro Seal

McLaren Hydro Seal is hydrophobic formulation from the USA, specially designed to give an easy clean surface if used regularly.

Hydro seal is designed to be applied on to a wet car surface where it is applied and then washed off.

For best results once applied, rub in a circular motion to help spread the product evenly over the paint work and then buff up with a microfibre cloth.

RODUCT CODE: **MCL3072**

SIZE: **500ML**

McLaren Nano Rapid Protection

McLaren Sealant is a hydrophobic paint sealant. The sealant helps protect the paintwork and gives an instant effect which will last up to 2 months and help to extend the washing cycle.

Spray onto a clean wet surface, rub in circular motion and rinse off. For an extra gloss finish buff with a microfibre cloth.

PRODUCT CODE: **MCL3027**

SIZE: **500ML**

INTERIOR PRODUCTS

McLaren Fabric Cleaner

McLaren Fabric Interior Cleaner is formulated to help remove stains and marks on automotive fabric seats.

For effective cleaning, spray onto the mark or stain, scrub with a sponge or soft brush, then wipe off with a clean cloth. On stubborn stains you can reapply for extra effect.

Do not sit on the seats whilst they are wet, allow the area to dry completely. Can also be used on car mats.

RODUCT CODE: **MCL3058**

SIZE: **500ML**

McLaren Leather Cleaner

McLaren Leather Cleaner is a safe to use cleaner. Spray onto the seats and rub lightly with a soft cloth, any stubborn stains may require a repeat application.

The cleaner is for cleaning purposes only and we suggest using leather cream to keep the leather in good condition.

This product is not suitable for suede seats.

PRODUCT CODE: **MCL3010**

SIZE: **500ML**

McLaren Dashboard Cleaner

McLaren Dashboard Cleaner is formulated to clean and protect from UV rays in a single application. Easy to use with wipe on, wipe off application.

Apply by spraying directly onto the dashboard and side door panels. Once applied wipe off using a microfibre cloth to leave the dashboard clean.

PRODUCT CODE: **MCL3102**

SIZE: **500ML**

CERAMIC PRODUCTS

Ceramic Wash & Wax

McLaren Ceramic Wash & Wax provides the ultimate cleaning shampoo blending surfactants and SiO2 ingredients delivering a finish you have never seen before.

Unrivalled surface protection using SiO2 technology and ceramic resins.

Compatible with all McLaren exterior products.

PRODUCT CODE: **MCL4468**

SIZE: **500ML**

Ceramic Hydro Seal

McLaren Ceramic Hydro combines SiO₂ and SiO₄ molecules offering an extremely hydrophobic layer that has ultimate water beading properties.

Up to 6 months long lasting durability with just one application.

Ceramic Hydro Seal's unique formulations makes application easy and versatile meaning it can be applied to all exterior surfaces whether wet or dry.

For best results once applied, rub in a circular motion to help spread the product evenly over the paint work and then buff up with a microfibre cloth.

RODUCT CODE: **MCL6974**

SIZE: **500ML**

Ceramic Dura Coating

Ceramic DURA Coating is the ultimate in ceramic surface protection offering up to 12 months long term protection.

The complex molecular structure uses durazane1500- resins that strength the protective backbone that bonds with the vehicles exterior surfaces.

Extreme water beading properties and high gloss finish as expected from the McLaren Ceramic range.

Unrivalled ceramic performance resisting against UV light deterioration, cold, frost and daily environmental damage.

RODUCT CODE: **MCL6981**

SIZE: **500ML**

Ceramic Paste Wax

Ceramic Paste Wax blends ceramic resins with natural waxes producing an elegant soft wax resulting in a highly durable and ultra-hydrophobic protective coating.

With enhanced SiO₂ content the gloss and water beading is second to none.

RODUCT CODE: **MCL7353**

SIZE: **250ML**

KITS

Paste Wax Kit

McLaren Paste Wax Kit gives a full deep shine finish, leaving a smooth feel to your car. Both products need to be used. Stage 1 is a cleaner wax which is applied to a clean dry car.

The product helps remove contamination and cleans the paintwork ready for Stage 2. Stage 2 is a hard wax which contains Carnauba wax, bee's wax and coconut oils to give a deep gloss finish.

The product is designed to give a long lasting deep gloss shine.

PRODUCT CODE: **MCL3249**

SIZE: **200ML**

Leather Cream

McLaren Leather Cream conditioner contains lanolin that deeply nourishes and prevents cracking.

The leather cream has a built in protector to help keep the leather soft and is easy to apply with applicator pad which is supplied in the kit.

PRODUCT CODE: **MCL2952**

SIZE: **200ML**

Headlamp Restorer & Ceramic Protection Kit

A fast and easy headlight restoration kit to remove oxidation, dirt and surface scratches on all vehicle and motorcycle plastic headlights.

Active ceramic sealant with easy application from a sachet preventing future yellowing damage to headlights.

PRODUCT CODE: **MCL7315**

SIZE: **200ML**

ACCESSORIES

Luxury Micro Fibre Cloth

McLaren Luxury Microfibre cloths are used with all McLaren products.

Double thick for better finish when cleaning your car.

PRODUCT CODE: **ULT1018**

SIZE: **40CM X 40CM**

Counter Display Stand

Our cardboard display stand for counter, table top or shelf use is a general stand ideal for our McLaren range.

With a horizontal base to the tiers and a sturdy construction the stand can accommodate 9 products.

PRODUCT CODE: **MCL2162**

SIZE: **Displays 9 Products**
