

# Continuous Acting Air Release Cum Vacuum Relief Valve

1" & 2" Plastic CARV

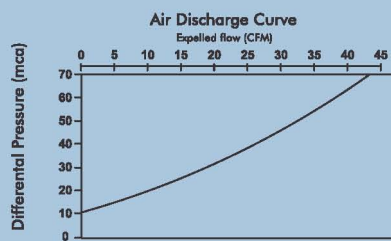

## Features

- Continuous Air Release / Vacuum Relief
- This product due to the presence of a specially designed seal & a low density float becomes water tight in both highly pressurized or no pressure conditions
- Facilitates the release of air which enters the pipeline during startup operations or is left over in the system
- UV Protected bright colour top allows easy visibility
- Easy to install

## Specifications

- Available in 1" BSP/NPT thread connection : AQ-88CP  
2" BSP/NPT thread connection : AQ-90CP
- Manufactured out of durable, weather resistant and non-corrosive reinforced Polyamide (Nylon)
- Minimum Sealing Pressure : 5 psi
- Working Pressure : 5 - 175 psi
- Threaded Elbow Outlet
