This product may be toxic to aquatic organisms. Do not apply or allow runoff to reach lakes, streams or ponds. Do not contaminate water by cleaning off equipment or disposal of equipment wash water or rinseate. Do not dump water into sewers or other bodies of water.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in any manner inconsistent with its labeling. Apply on plastic, non-porous surfaces only.

APPLICATION INSTRUCTIONS

Apply on plastic, non-porous surfaces only. Lay down a continuous bead of product in a zigzag pattern using at least a ½ inch bead that will allow the rats to easily and frequently step on the product. **TRAPS MUST BE PLACED IN AREAS SURROUNDING GEL.** For best results, clean and wipe dirt from application surface prior to application. Wear gloves and eye protection during application.

1. Cut the end of the tube off at the nozzle stem.
2. Screw on applicator nozzle and cut off nozzle tip for a ½ inch minimum bead halfway down the applicator nozzle.
3. Load and lock product tube into standard caulking gun.
4. Slowly pull caulking gun trigger. There is very little product resistance—be careful as it can quickly come out of the tube.
5. Lay down a continuous bead of product in a zigzag pattern so rats will step in the product.
6. Excess applied gel from tube may be cleaned with a clean, dry rag or paper towel. Apply to plastic, non-porous surfaces areas where rats frequent.
7. Reapply product every 6 hours if necessary.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage:

Do not store this product above 140°F or below 20°F for extended periods of time. Keep containers tightly closed and product in original containers when not in use.

Pesticide Disposal:

Wastes resulting from the use of this product may be disposed of on site or at any approved waste disposal facility.

Container Disposal:

Non-refillable container. DO not reuse or refill this container. Offer for recycling, if available. If not available, dispose of in a sanitary landfill, or incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY

To the extent consistent with applicable law, BRSI warrants that this product conforms to the chemical description on the product label and is reasonably fit when used in accordance with the directions for use. However, it is impossible to eliminate all risks inherently associated with the use of this product. This warranty does not extend to the use of this product in a manner inconsistent with its labeling or when used under abnormal conditions, such as adverse weather conditions and presence of other materials. These factors are beyond the control of BRSI or the Seller. All such risks shall be assumed by the Buyer.

To the extent consistent with applicable law, BRSI makes no other express or implied warranty and it expressly excludes and disclaims all implied warranties of fitness or merchantability for a particular purpose. To the extent consistent with applicable law, BRSI or the Seller are not liable for consequential, special, or indirect damages resulting from the use or handling of this product.
