## Graduate Acrylic is an affordable range of water-based colours

Ideal for students and amateurs looking for reliability and performance. These fast-drying, medium-body colours are smooth, easy to use, and mix well together.

Graduate Acrylic colours offer an impressive pigment loading compared to their rivals in the same category.

Discover the variety of perfectly compatible Daler-Rowney products.

§ For technical reasons the printed colours do not match 100% the painted colours, but deliver the best possible reference point.
