Set A: Clamshell 4¼x5½" Cards

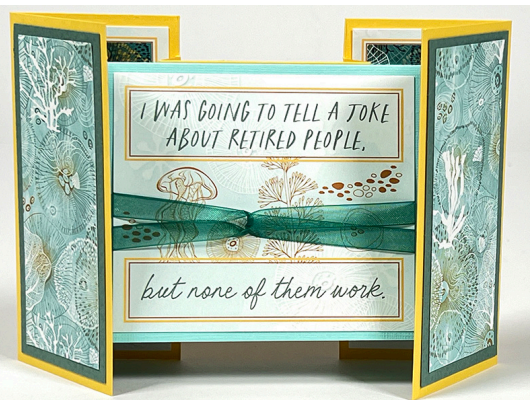

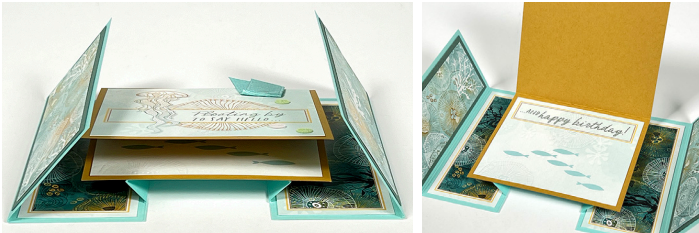

Assembly steps: (The first step is optional.) Use a ruler and craft knife to remove a ½x3½" strip from the top and bottom edges of the card base, from the 2nd score line to the 5th score line.

Fold all score lines, keeping the bump of the line on the inside of the fold to create four "valley folds" and two "mountain folds." Nest the 1.5x3.75" printed panels onto the 1.75x4" Green panels and add to the outer and inner card flaps. Nest the 1.75x4" Cutapart panels onto the scored area on the inside of the card. Fold the 3.75x6.5" scored piece in half. Add ribbon, if desired, to the outer sentiment and nest the outer/inner sentiment to the folded piece. Adhere to the center pop-up panel of the card.

Inside: "... and happy birthday!"

Inside: "Congratulations on your retirement!"

Inside: "Atoll. Thinking of you on your special day!"

Set B: 4½x6¼" Stack, Cut and Shuffle Cards

Assembly steps: (The stack, cut, and shuffle portion of the card can be skipped; simply nest the 3.75x5.5" panel onto the 4.25x6" Print and folded card base.) Stack the four 3.75x5.5" card panels and trim at an angle. Carefully tracking the pieces, trim each cut section at a different angle to create a total of four pieces. Distribute one piece of each color onto four 4.25x6" printed panels and adhere, as shown. Center the panel onto the folded card base. Nest the 1x3" sentiment onto the 1.25x3.25 and 1.75x3.75" panels (for horizontal cards) and add with foam adhesive. Tuck the shell applique behind the sentiment and finish with sequins. Add the .75x6.25 strip, inner sentiment and fussy-cut shell to the inside of the card.

Inside: "I'll always remember your kindness. Thank you!"

Inside: "Today is your birthday, so celebrate in style."

Inside: "Enjoy your birthday!"

Nest the 2.75x6" Print onto the 3x6.25" panel and wrap with your choice of ribbon(s). Adhere to the right side of the card, centered top to bottom. Nest the 1.5x3" sentiment onto the 1.75x3.25" panel and add to the card with foam adhesive. Adhere the 4th shell and inner sentiment to the inside of the card.
