Preparation

Trim the printed cutaparts into sections as indicated by the artwork and cutting guidelines. Sort each cutpart into three different piles, one for each corresponding set of cards.

Scoring and folding information is listed within the instructions for each card set. The "bump" of the score goes on the inside of the fold. If you do not have an item to complete the card as shown, simply omit or substitute the item.

8.5x11 Cutapart

8.5x11 Cutapart

8.5x11 Cutapart

Set A: 4¼x5½" Cream Text Weight Double Pocket Cards with 6x8" Red, 6x8" Brown and 4x5¼" Orange Panels

Score each 8.5x11 Cream Text Weight card base vertically at 4¼" and horizontally at 5½".

Trim each 6x8" Red and Brown panel vertically at 3" and horizontally at 4" to make four 3x4" panels in each color.

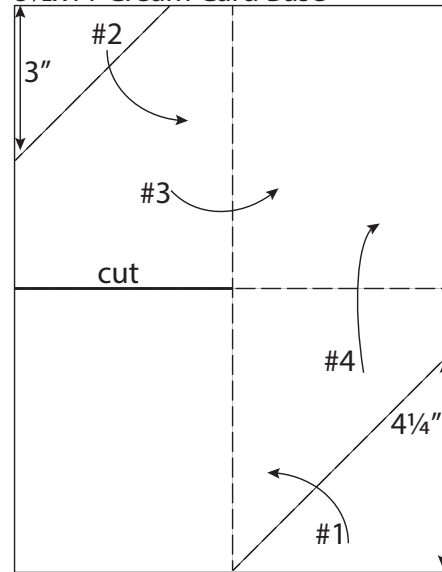

Tag 1: *It's nice to have a friend to grow old with.*
Tag 2: *You go first!*
Inside: *Happy birthday!*

Tag 1: *Nature does not hurry.*
Tag 2: *Yet everything is accomplished.*
Inside: *Congratulations on your achievement!*

Card base assembly: Cut along the score line from the left edge to the intersecting vertical score. Fold the lower right corner to the center score line. Measure down 3" from the top left corner and fold at a 45 degree angle. Adhere the triangular flaps. Fold the upper left quadrant to the right, fold the bottom half of the paper up, and wrap the remaining left quadrant around to the back of the card.

8½x11 Cream Card Base

Assembly steps for all cards: After creating the card base, secure the edges of all pockets with adhesive. Glue a strip of maple leaf garland to the angled edge of the first pocket. Tie a jute bow around the stem of a silk maple leaf and adhere to the front of the card. (Include an oak leaf on cards 3 and 4.) Fold a 2" piece of twill in half and staple to the top of each cutapart tag. Center the first tag onto a Red panel and the second tag onto a Brown panel. Insert the tags into the pockets. Nest the 4x5.25" Orange panel to the inside of the card and adhere the inner sentiment.

Tag 1: *You're only young once.*
Tag 2: *But you can stay immature indefinitely!*
Inside: *Happy birthday!*

Tag 1: *Go stand outside.*
Tag 2: *So if anyone asks . . .*
Inside: *You're outstanding.*

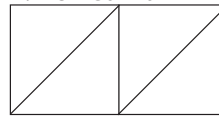

Set B: 4½x6¼" Orange Cards with 3½x5¼" Brown and 2½x5" Red Panels

Score and fold each 4½x9" Orange card base horizontally at 6¼".

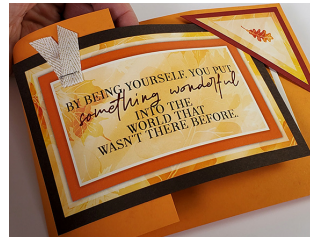

Trim the 2½x5" Red panel horizontally at 2½". Cut each square at a diagonal to create four triangles.

2½x5 Red Plain

Inside: "So glad you're you! Happy birthday."

Notes for cards at left: Staple a folded piece of twill onto the upper left corner of the outside cutpart and nest onto the brown panel. Adhere the Brown panel only to the narrow (left) flap of the Orange card base. Center the inner sentiment on the inside of the card. Apply adhesive to the outer straight edges of the Red triangle and adhere to the upper right corner of the folded card base to form a pocket. Tuck the front flap of the card behind the pocket created by the triangle.

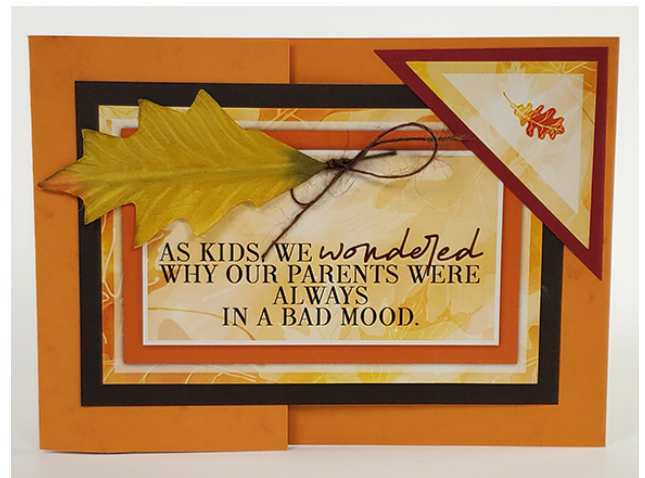

Inside: "So very sorry for your loss."

Inside: "But my autumn sweater body is on point."

Notes for cards at right: Follow the same assembly process from the previous two cards. Substitute a silk leaf for the stapled ribbon. Wrap the stem of the leaf with jute fiber and adhere to the panel with Glue Lines.

Inside: "Now we're like, okay, yes, this makes sense."

Set C: 5x7" Red Cards with 4½x6" Cream Texture Panels

Score each 7x10" Red card base horizontally at 2½" and 7½". Fold along score lines to make a gate fold.

Trim each 4½x6" Cream Texture panel horizontally at 4" and 2" to make three 2x4½" panels for each card.

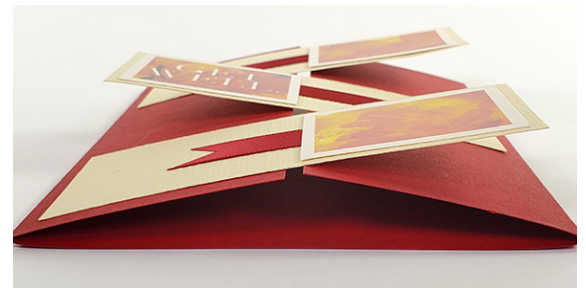

Inside: "Thinking of you."

Inside: "Hope you're on the mend soon."

Notes for all cards: Adhere the top and bottom 2x4½" panels to the left flap of the gate fold card. Adhere the center strip to the right flap. Space the pieces ¼" apart and ¼" from the edge of the card. Add a piece of trimmed satin ribbon to the inner edge of the cutaparts and adhere to the left/right sides of the strips, in an alternating pattern. Add the inner sentiment to the card. For cards 3 and 4, make a loop with the satin ribbon and tape to the back of the cutapart prior to attaching it to the Cream Texture strip.

Inside: "Have an unbe-leaf-able birthday."

Inside: "You're the best."
