Preparation:

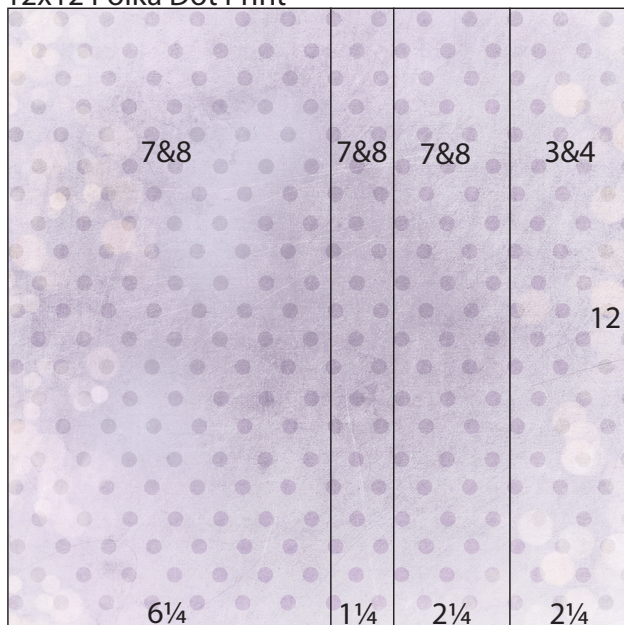

Please confirm you have paired the correct kit with the corresponding instructions. There is a previous release of this collection.

Trim the papers and printed cutaparts as indicated by the written instructions. While trimming, distribute the pieces to a pile or file designated for each double page spread as referenced in the diagram. *Prior to trimming the cutaparts, remove approximately 1/8" from the perimeter of each sheet, using the intersecting guidelines on each corner as a cutting guide.*

Pre-cut photo mats are not included in this collection. Instead, four additional plain papers are provided.
