Fraction to Decimal Conversions

$1/8" = .125"$ $1/2" = .5"$ $7/8" = .875"$

$1/4" = .25"$ $5/8" = .625"$

$3/8" = .375"$ $3/4" = .75"$

Many Chapter One Wood Mounted Stamps were used to complete the cards. However, if you do not have those items available to you, simply omit the step or make a substitution. Inks listed can be substituted with coordinating colors in your collection.

Fold all pre-scored cards on the score line. The raised portion of the score is designed to go on the *inside* of the fold. Reinforce all folds with a bone folder.
