AUSTRALIAN MADE **BATHROOM FURNITURE**

# FUTURE ON OUR MIND...

This year, Rifco is proud to be celebrating over 45 years in the bathroom industry. Founded in 1975 by Alan and Janet Fletcher, this husband and wife team ran the company as 'hands on' owners for 26 years. What began in a small factory in Marrickville NSW making mirrors and shaving cabinets has today grown into a company that now supplies bathroom retailers Australia wide.

Throughout that time Rifco developed a reputation for quality products, for friendly service and for family values. After Alan's sudden passing in 2001, the reins were handed over to their children Luke, Samuel and Kate who all continue to have active roles in the company.

They dared to expand their parent's legacy and see the Rifco brand become synonymous with quality Australian Made™ products. This dream continues today as they strive to create an environmentally sustainable company to one day pass down to their own children.

A company dedicated to using locally sourced material including sustainably sourced certified timber products, E0 (zero emission) board, using reclaimed product packaging, optimised cutting on CNC's to ensure less waste, reducing our carbon footprint by recycling our cardboard, board and glass processing water. Solar panels are fitted to our factory roof allowing 90% of our electricity to be powered by clean energy and reducing greenhouse gas emissions.

The dream continues with future minded bathroom designs that influence the industry creating fashion forward trends including round mirror cabinets, timber and concrete feature products and curving vanities.

We are extremely proud of our 45 year heritage as an Australian Made™ manufacturer. And as a family owned and run business, we are even more excited about what the future holds for the generation to come.

Janet and Alan Fletcher

Luke, Samuel and Kate

The future generation

## AT HOME WITH HAYDEN AND SARA VALE

“Sam, Kate and the team at Rifco were nothing but accommodating to our needs. We have worked with them before when we were on The Block and we will continue to use them because they have the Family values and a quality product on offer. Our house was very custom and they showed us they could achieve exactly what we were after.

They helped with our design process in achieving the right look as well as functionality. We had to take a lot into consideration, including our children into it as they would be using the vanities as well. They are a hardworking family run business that we will be going back to time and time again and getting our clients to use their products as well. We cannot speak highly enough of the team at Rifco.”

Custom Contour vanity 1600w in Polytec Natural Oak ravine with custom Derwent mirror cabinet

1800w in Polytec Nordic Oak with Corian® solid surface top in Glacier White & Galaxy basins.

## We have the largest range of mirror cabinets!

All of our products are proudly made in Australia. We only use the best quality hardware, copper free & UV stable mirror which is locally sourced.

All of our wood products are manufactured from managed and renewable plantation pine and is Australian Forestry Standard chain of custody certified.

All melamine and laminate products are manufactured from E0 or E1 CUSTOMwood MDF & are highly moisture resistant. Our market leading shaving cabinets offer you an extensive range of unique designs, dimensions, finishes & styles, ensuring a solution to suit your bathroom. And if you can't find what you're looking for, we offer custom made solutions just for you. Our expertise has seen us pioneer the latest feature rich bathroom furniture innovations such as:

- Cabinets that can be fully recessed into your wall (optional extra)
- Timber feature panels in a selection of both mirrors & cabinets
- Round, oval and arch mirrors AND cabinets
- Internal lighting (optional extra)
- Toughened glass shelves
- Soft close doors Included on ALL cabinets
- Matching styles for cabinets & vanity units
- Custom made sizing available

*We custom make!*

## Vanity top finishes:

Rifco are the leaders in timber vanity tops & cabinets & are proud to offer the largest range of colours/species.

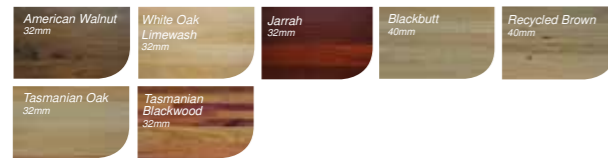

Caesarstone® is the largest engineered stone manufacturer & provides exceptional beauty, strength & durability. All stone tops 20mm thick.

### SOLID TIMBER

These timbers are sourced from managed forests and the sustainability of the various species utilised in the manufacture of these tops has been certified.

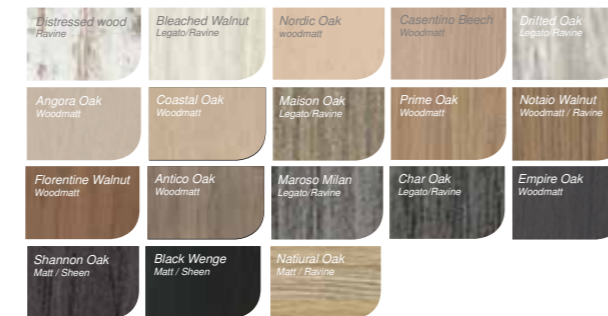

## Vanity finishes:

### Laminex

### polytec

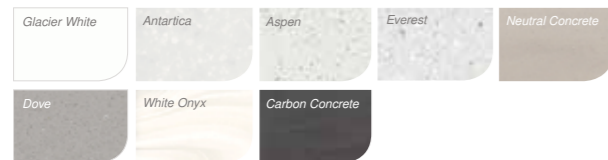

### Dulux

Vanity colours in gloss or satin finish:

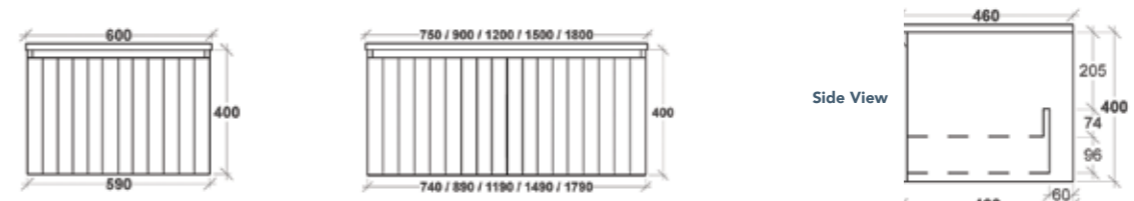

Corian® Solid Surface is made from 2/3rds natural minerals (Alumina Trihydrate) and 1/3rd acrylic binder. It is this unique formula that allows Corian® to be completely non-porous, hygienic, seamless and Thermoformable. Our Corian® vanity tops are available in 12mm or 30mm edge thickness.

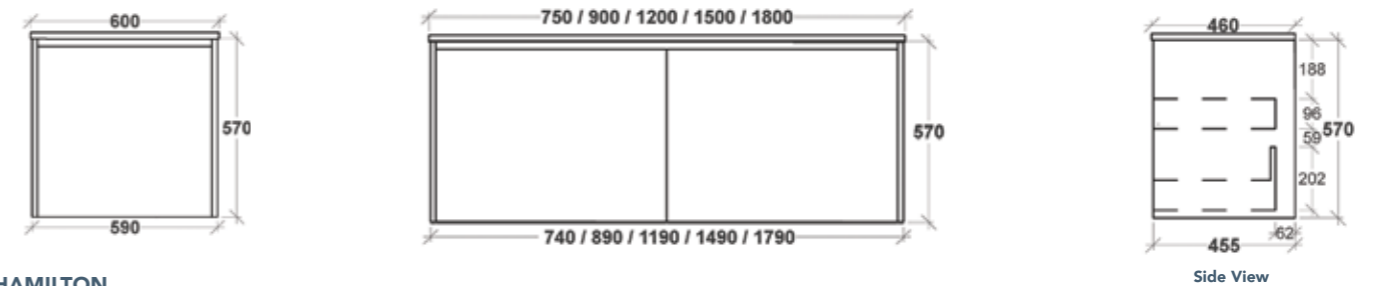

Luxcrete™ by Rifco is the latest in concrete designs for your bathroom. These hand poured vanity tops & basins are Glass Fibre Reinforced Concrete (GFRC) which is denser, stronger & lighter than traditional concrete. It has 4 layers of a specifically designed concrete countertop sealer making it highly resistant to stains & scratching. Luxcrete integrated tops are 20mm or 40mm & slab tops are 20mm.

All vanities	7 years
All Caesarstone® tops	10 years
All acrylic tops	10 years
All Corian® tops	10 years
All solid timber tops	7 years
All china tops & basins	1 year
All Luxcrete™ tops & basins	5 years
All mirror cabinets (excluding mirror)	7 years
All mirrors	1 year
All lighting	1 year
All hardware	Lifetime
Commerical use:	All products 1 year

Rifco guarantee against faulty materials and workmanship, provided that the installation is carried out according to the installation instructions. (Detailed instructions are supplied with the goods). Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

## WARRANTY CONDITIONS

1. The fault or failure lies in the manufacture of the product
2. The product must be installed by a licensed installer
3. The product must be installed according the Installation Instructions provided
4. The product must be cared for according to the Care Instructions provided
5. You can provide your proof of purchase details
6. Any claim for faulty or damaged goods must be made within 48 hours from receipt of product.

## Warranty Exclusions

1. Please note that no claims for damages / defects will be recognized after installation. Installation of the product is regarded as acceptance of that product and no claims for faulty or damaged goods can be made after installation.
2. Drawer or door adjustment after installation is not covered under warranty.
3. The liability of the warranty and guarantee is limited to a replacement cabinet or part thereof of similar value and does not include any service costs or related damage.
4. This guarantee does not cover damage by improper installation, accident, misuse, abuse, neglect, negligence, excessive wear and tear, improper care and maintenance, water and natural causes such as sunlight, humidity and other environmental conditions.
5. Water Damage.  
All of our cabinets are manufactured from Australian Made HMR (highly moisture resistant) board but are not waterproof. Care must be taken to immediately dry any spillage or leakage of water that may gain access to the cabinet as water damage is not a justifiable claim. Installation, cleaning and maintenance instructions need to be followed.

## To Make a Claim

Should you find any fault with either materials or workmanship within its warranty period, Rifco will at its own cost, repair or, at its option, supply a replacement for the faulty product or component.

Contact your retailer with your proof of purchase details.

*ALL SIZES SHOWN ARE NOMINAL & SHOULD BE CHECKED PRIOR TO INSTALLATION*
