NEOTENIC

Lamp L

Neotenic is a table lamp available in 3 colors and two sizes. Its extreme curvy shape is a technical feat.

DESIGNER/ YEAR OF EDITION

Jumbo, 2022

ABOUT THE DESIGNER

Jumbo is a lighthearted design practice founded by old friends — Justin Donnelly and Monling Lee. Together, they produce objects and environments that are guided by an ongoing interest in reductivism and whimsy. The studio is a champion of “affective” design, focusing on forms, materials, and colors that delight.
