DESCRIPTION

When the Pacha Collection was designed in 1975, it replaced the austerity of post-war design with a more organic approach, reflecting the changing design style of the time.   A joyful modernist, Paulin's low-slung pieces provided a new laid-back perspective on life and his forward-looking, eclectic and sculpturall approach to furniture design instantly caught the mood of the swinging 60's.

The Pacha lounge chair is fullly upholstered, has a painted wood base and is available with a fixed base or returning swivel base.
