

## Specification Sheet

# Rectangular Dining Table

The MOEBE Rectangular Dining Table is simple in form and construction. An uncomplicated T-frame construction supports a sturdy tabletop, finished with subtle brass detailing. Whether large or small, Rectangular Dining Table is FSC-certified, made in Europe, and arrives flat-packed for easy assembly.

Rectangular Dining Table is available with a linoleum tabletop in Burgundy, Forest Green, and Warm Beige, as well as in a classic oak finish.

Add-on Extensions are available for all tabletop finishes, allowing you to extend the size of the table to accommodate a larger group. You can add up to two Extensions (one per end) giving you the option to extend the length of the table by 40cm or 80cm, and they are available in matching finishes.
