

MAGS

DESIGN BY HAY

Designed with maximum comfort and minimum details, the Mags sofa combines strong aesthetics with timelessness to create a HAY classic. Keeping superior comfort and quality in mind, Mags is built using a solid construction with durable, high-density foam and interior padding for optimal longevity. The low frame has a distinctly lounge feel, which is reinforced by the deep seats and results in an open, welcoming space. The wide range of functional modular units mean the sofa can be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the upholstery options enables the sofa to find its own personality.
