Who Is COOLIQ?

COOLIQ is a design-driven manufacturing company creating adventure-ready drinkware that enables users to express themselves and sip in the moment no matter where the good times are going down.

Our Mission:

We're on a mission to enhance the case-to-consumption journey with sleek designs, unique colours, and premium finishes that elevate the adult beverage experience.

Customer Obsessed:

We're customer obsessed and test our product rigorously to ensure our users experience outdoor accessories that are fun, versatile and don't quit when they need them most.

"In 2021, I started COOLIQ at 22 years old with one simple goal in mind: create innovative products that allow users to express themselves and sip in the moment, no matter where the good times are going down. Based in British Columbia, Canada, COOLIQ is a design-driven outdoor accessories brand that brings timeless comfort, colour and versatility to any adventure"

Michael Macdonnell

FOUNDER, CEO

SUSTAINABILITY

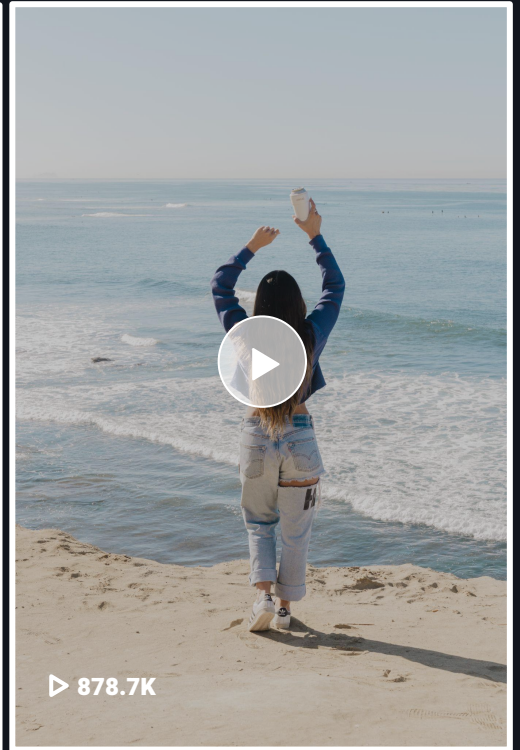

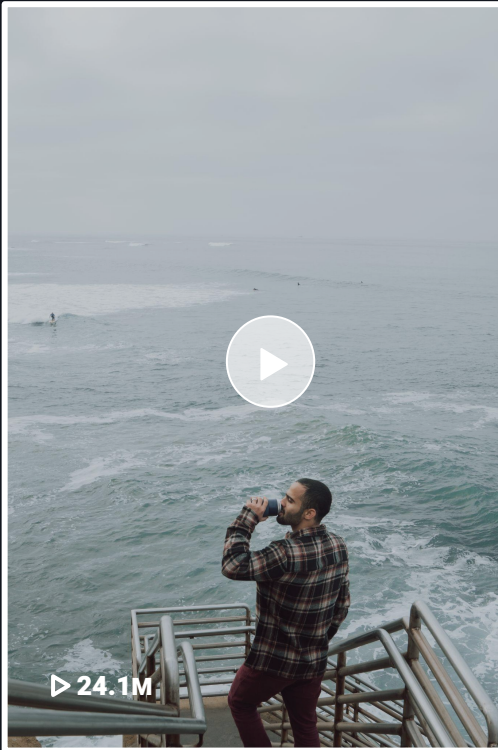

Our mission to create packaging with 100% recyclable/ compostable materials.

It's our commitment to work towards a future where the plastic we use is either reused, recycled or recovered.

Say goodbye to single use. Our products are designed for versatility and built with durable reusable materials for long term use.

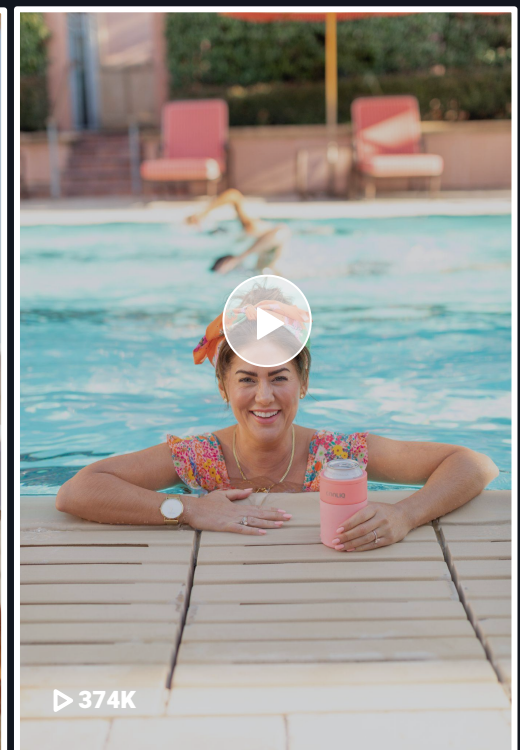

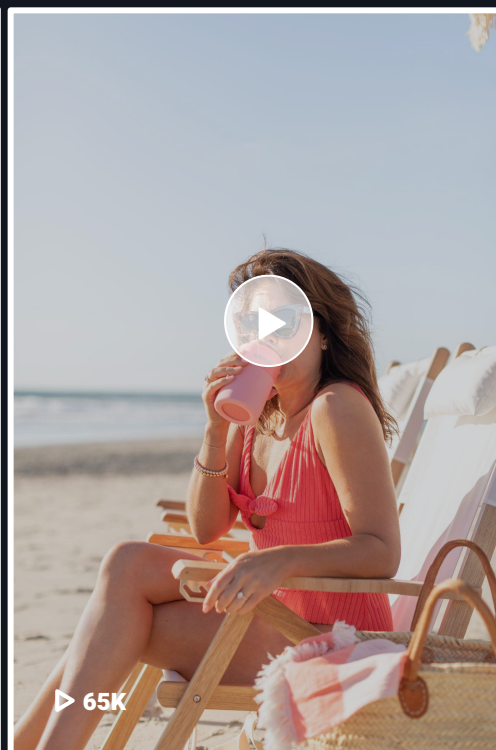

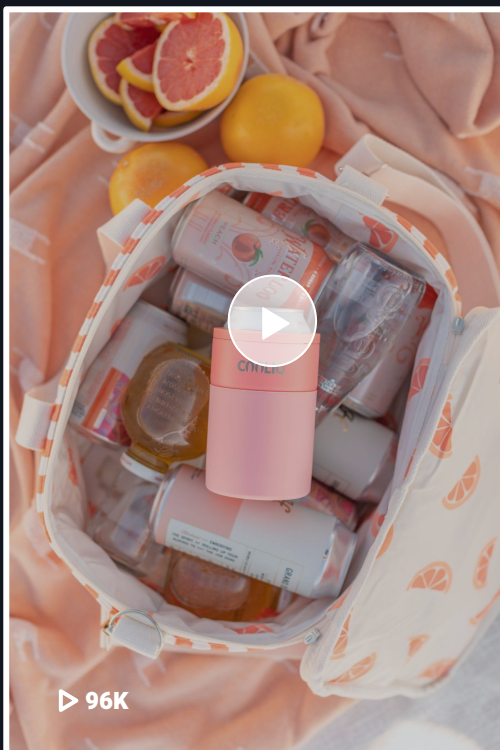

STRONG SOCIAL PRESENCE

35.3K Followers | 1.5M Likes | 1.5M Average Monthly Views

National Brand Awareness | Celebrity Endorsement

COOLIQ's partnership with the Jilly Box has proven to be a massive success, generating significant national brand awareness. Our BevChiller Shorty was recently included as an add-on in the Summer 2023 Jilly Box and sold out in under 48 hours, demonstrating its popularity among consumers across USA and Canada. This success story showcases the potential for product expansion into other colors and sizes that drive sales and attract new customers to retail shelves.

Corporate Gifting

HOW IT WORKS

1

Select your products and place your order online.

2

Contacted within 24 hours to collect artwork and confirm order.

3

Receive a digital proof and confirm order.

4

Customized products ship within 15-20 business days.

“Our recent corporate event was elevated by COOLIQ’s custom drinkware collaboration. The branded products showcased our logo flawlessly and maintained beverage temperature perfectly. COOLIQ’s professionalism, quality, and attention to detail impressed us. Their team’s commitment ensured a seamless experience, making our event truly memorable. A top recommendation for anyone seeking exceptional custom drinkware.”

– Alisha, Business Operations Lead Bakertilly

Soft Touch is a Winner

The bevchiller shorty does it's job keeping beverages cool but my favourite part is actually the soft touch sleeve. My hands to get cold holding the metal and it's ever so slightly grippy. I bought the lime green colour sleeve to mix and match with the coral pick and it is **chefs kiss
