The evolution of the Jordan brand has boomed over the last couple of years. Our continual domination both nationally and internationally has enabled us to concentrate on innovating and developing exciting new products that you can see throughout this catalogue. We can't wait to share with you the endless possibilities that will define your brand like never before.

Looking back to the beginning of it all, where I created my first functional training facility over 30 years ago, I am incredibly proud that we are now one of the worlds most recognised free weight and functional suppliers. The future of Jordan Fitness is brighter than ever, with an expanding workforce, stronger client relationships around the world, and unbeatable product quality. We welcome you to our ever-growing community.

**Neil Jordan**  
**Founder & Chairman**

A male personal trainer with a beard and tattoos, wearing a dark grey athletic shirt and pants, stands to the left of a female client. He is assisting her with a seated dumbbell press exercise. The client, with curly hair, is wearing a light grey tank top and dark leggings. She is seated on a black gym bench, holding two black dumbbells with red accents above her head with both arms. The background is dark, and the lighting is dramatic, highlighting the subjects. The text 'DELIVERING QUALITY SINCE 1989' is positioned in the upper right corner.

**DELIVERING  
QUALITY  
SINCE 1989**

A woman with her hair in two braids, wearing a red sports top, is leaning over a black weight. A red circular sticker on the weight reads "10 / KG".

## POWDER COATING SERVICE

Take your brand identity to the next level and make your gym or health club truly memorable.

We offer a premium aluminium, stainless steel, mild steel and cast iron colouring service to give your gym storage racks and rigs a quality, durable finish.

Powder coating is chip & scratch resistant as well as being environmentally friendly (as it contains no solvents). Due to its high resistance to sunlight (UV light) it is particularly beneficial for outdoor rigs.

Available in 20 standard RAL colours with hundreds more to choose from to match your brand, you can also choose from texture, matt, gloss and satin finishes.

Prices start from as little as **£30**. Please call or email us on **sales@jordanfitness.co.uk** for a bespoke quote.

**CHOOSE FROM HUNDREDS  
OF RAL COLOURS**

# DUMBBELLS

A fitness staple for 30 years, Jordan dumbbells and racks have always been known for their quality and durability, as we source the highest quality materials to ensure longevity. We've invested in several new designs, all developed in the UK, building on our strength, so you can build up yours.

Our unique customisation service offers the opportunity to personalise your dumbbells, providing your brand with an opportunity to truly stand out.

Look out for our new our new HEX Urethane Dumbbells offering a stylish and timeless finish with added durability.

## IGNITE V2 URETHANE DUMBBELLS

Unique to Jordan, this anti-roll design makes these dumbbells ideal for free weight areas. Fully customisable, you can add your brand and logo to stand out against the competition.

- Unique design prevents rolling, and so ticks both safety and tidy boxes
- Heat-treated, brushed steel handles extend durability over chrome versions and add strength. Also features premium, encapsulated urethane so not an end cap in sight
- Great for a huge number of upper-body strength exercises, from shoulder press through to chest press and bicep curls
- Available in a variety of sets between 2.5kg and 50kg
- Superior five-year warranty

### DUMBBELL SETS

<b>JT-IUD2-P1</b>	2.5-25kg	2.5kg increments/10 pairs
<b>JT-IUD2-P2</b>	27.5-37.5kg	2.5kg increments/5 pairs

# OLYMPIC DISCS & PLATES

From Olympic standard to everyday gym use, our Olympic Discs, Competition and Bumper Plates are designed to push the boundaries and achieve personal bests.

Our focus on quality and impact resistant weights, means whether your clients are training for Weightlifting/ Powerlifting competitions, or just adding to their strength training routine, we have you covered.

All plates are in line with IWF and IPF colour and size specifications.

## BLACK URETHANE COMPETITION PLATE - COLOURED TEXT

Designed to perfection, our urethane IWF industry-standard Olympic weightlifting, calibrated competition plates are as strong as they come.

- Stainless-steel insert with lightly glossed edges offers an alternative design to traditional Olympic discs, for gyms looking for a consistent design throughout their facility
- Raised colour lettering in standard Olympic colours, allow for quick weight identification
- Diameter of hole is 50.44mm, Outer diameter of the disc is 450mm
- Each disc calibrated to 1% weight accuracy
- Two-year warranty

### PRODUCT INFORMATION

<b>JLBCUP2-25</b>	25kg	Red - Coloured text
<b>JLBCUP2-20</b>	20kg	Blue - Coloured text
<b>JLBCUP2-15</b>	15kg	Yellow - Coloured text
<b>JLBCUP2-10</b>	10kg	Green - Coloured text

## CALIBRATED COLOUR RUBBER COMPETITION PLATE

Nothing else competes with the pure strength, quality and design of these IWF industry-standard Olympic weightlifting competition plates.

- Stainless-steel insert and durable solid 'Virgin Rubber' will not bend or crack through the high torque of Olympic weightlifting movements. Also, they won't damage Olympic training platforms
- Diameter of hole is 50.44mm, Outer diameter of the disc is 450mm
- Colour coded for easy identification: 10kg (green), 15kg (yellow), 20kg (blue) and 25kg (red)
- Each disc calibrated to 0.7% weight accuracy
- Two-year warranty

### PRODUCT INFORMATION

<b>JLCCR2-25</b>	25kg	Red
<b>JLCCR2-20</b>	20kg	Blue
<b>JLCCR2-15</b>	15kg	Yellow
<b>JLCCR2-10</b>	10kg	Green

## HG COLOUR RUBBER BUMPER PLATES

Incredibly strong and durable these Olympic weightlifting bumper plates, made from shock absorbent rubber, have been tested to 10,000 drops.

- Unique design helps the gym-goer safely learn lifts like the snatch and clean and jerk by steering them into the correct, stable stance
- Constructed from high-grade coloured rubber for durability, featuring a clean, stylish aesthetic
- Colour coded by weight for easy identification
- Diameter of hole is 50.44mm, Outer diameter of the disc is 450mm
- One-year warranty

### PRODUCT INFORMATION

## HG BLACK RUBBER BUMPER PLATES

Designed for deadlifts and Olympic weightlifting, these black rubber bumper plates are the perfect training aid, having been tested to 10,000 drops.

- Constructed from high-grade rubber, these shock absorbent plates won't bend or crack through the high torque of Olympic weightlifting movements, limiting damage to Olympic training platforms
- Rubber composition means virtual elimination of disc clattering
- Reinforced-steel centre sleeve affords accessible Olympic bar loading
- Diameter of hole is 50.44mm, Outer diameter of the disc is 450mm
- One-year warranty

## HG BLACK RUBBER BUMPER PLATE - COLOURED FLECK

Developed to reduce noise in your gym space, these Hi-Temp fleck coloured training weights not only look great, they are made from recycled rubber.

- Designed in line with International Weightlifting Federation (IWF) and International Powerlifting Federation (IPF) colour standards with lettering to match Olympic colours
- Impact resistant and hard wearing, these plates are less dense than other bumpers with higher bounce to reduce floor damage
- Hi-Temp, these weight plates are designed for high-intensity usage due to their durability
- Plates have a standard thickness whilst also featuring a hole diameter of 50.44mm / outer diameter 450mm
- One-year warranty

# PERFORMANCE RACKS

New for 2021! Our great value, 'Best of British', strength and conditioning racks have arrived!

From racks and quarter/half racks, to our space-saving foldaway rack, our performance range is suitable for commercial training facilities and are also perfect for home and garage gyms.

Manufactured in the UK, our Performance Racks are engineered to the highest level of classification (ISO 9001:2008 and ISO 9001: 2015) and all come with an industry-leading lifetime frame, and weld guarantee.

Built to current EN 957 and EN ISO 20957 Stationary Training Equipment standards, our racks are fabricated by experienced, accredited CHAS Contractors (the industry-leading contractor health & safety certification in the UK) – as when it comes to Jordan, only premium quality will do.

Lead Time: 6-8 weeks

It is recommended that the rigs be secured to suitable floor and wall. Please ensure sufficient suitability of floor/wall and ceiling height.

# FUSION HIIT BENCH

### 3-in-1 Functional training station, bench & storage

Unique to Jordan, our space saving HIIT bench has everything you need to develop fast paced HIIT group training sessions as well as being the superstar of the gym floor.

This compact multi-functional exercise bench was built to challenge, with space for 2 Kettlebells, a Medicine Ball, skipping rope or stretch bands as well as a choice of Dumbbells (with room for 5 pairs).

- Featuring EU and UK Registered Design, this exceptional bench is made in the UK from high quality mild steel with durable foam pads, doubling up as a comfortable adjustable bench and firm, plyo box
- Includes a rope attachment so you can offer the ultimate battlerope or resistance band workout (with up to 6 users around 1 bench)
- Handle with lockable wheels ensures ease of movement for when used as part of a class setting.
- The shape and size is optimal for boutique, PT gyms and studios, as well as traditional gym settings.
- Choose to customise your HIIT bench with a choice of colour rims and add your logo to the matt finished steel frame.
- One-year warranty on bench, 90 days warranty on upholstery

## ADJUSTABLE BENCH

---

Versatile bench for a huge number of upper-body strength exercises.

- Perfect for a variety of upper-body exercises including bicep curls, bench press, shoulder press, chest flies etc
- Classic flat and incline positions, as well as decline. In all, there are seven starting positions with adjustment ranging from -5° to 85°
- Solid and durable construction with foam padding offering excellent levels of comfort
- Made in the UK
- The compact design makes this adjustable bench a great space saver and simple to move, making it suitable for any gym
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-AB-BLK</b>	Black	L:1285mm W:624mm H:1209mm (max)
<b>JL-AB-GRY</b>	Grey	L:1285mm W:624mm H:1209mm (max)

## ADJUSTABLE DECLINE BENCH

---

A must for any gym, this commercial quality bench for use with free weights, is perfect for building upper-body strength.

- High density foam padded rollers for leg support
- Durable fine grade upholstery to ensure maximum comfort and protection
- Solid and durable construction with a tapered seat pad for added hip support.
- Quick and easy to adjust
- Provides placement for a spotter to encourage prime workout positioning and safety
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-ADB-BLK</b>	Black	L:1229mm W:660mm H:845mm
<b>JL-ADB-GRY</b>	Grey	L:1229mm W:660mm H:845mm

## FLAT BENCH

---

Classic weight bench for a comprehensive range of strength-based exercises.

- Ideal for use with dumbbells, barbells and EZ curl bars for strength training
- Also suitable for any number of strength and flexibility-based exercises
- Low bench height is the optimum position to develop pectoral muscles
- Precision engineered from top-grade steel and extremely stable
- Quality upholstery and rubber feet that don't mark the floor
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-FB-BLK</b>	Black	L:1242mm W:630mm H:472mm
<b>JL-FB-GRY</b>	Grey	L:1242mm W:630mm H:472mm

## UPRIGHT UTILITY BENCH

---

Take your upper-body strength to another level with this quality upright utility weights bench.

- Perfect for use with dumbbells, barbells and EZ curl bars for strength training, especially shoulder and arm workouts
- Slightly angled back pad increases comfort and doesn't interfere with overhead exercises
- Durable and sturdy bench that's expertly crafted from high-grade steel
- Quality upholstery and rubber feet that don't mark the floor
- The compact design makes this upright utility bench a great space saver and simple to move, making it suitable for any gym
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-UUB-BLK</b>	Black	L:713mm W:630mm H:1043mm
<b>JL-UUB-GRY</b>	Grey	L:713mm W:630mm H:1043mm

## OLYMPIC FLAT BENCH

---

Comfortable, stable and quality bench for upper-body strength exercises.

- Flat bench to help you really target those pectoral and tricep muscles with two catch bar positions
- Low bench height and recessed area provides room for a spotter.
- This is the optimum height to maximise each and every workout
- Durable and sturdy bench that's expertly crafted from high-grade steel
- Quality fine-grade upholstery for added comfort and rubber feet that don't mark the floor
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-OFB-BLK</b>	Black	L:1601mm W:1294mm H:1200mm
<b>JL-OFB-GRY</b>	Grey	L:1601mm W:1294mm H:1200mm

## OLYMPIC INCLINE BENCH

---

Fine-grade upholstery adds a touch of class and comfort to strengthening your chest muscles.

- Fixed incline of 40° is perfect to target the upper pectorals and shoulders with either dumbbells, barbells or EZ curl bars
- Two catch bar positions
- Recessed area provides room for a spotter
- Quality fine-grade upholstery for added durability, comfort and protection, plus rubber feet that don't mark the floor
- Adjustable seat. Choose from three positions depending on your height
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-OIB-BLK</b>	Black	L:1601mm W:1294mm H:1200mm
<b>JL-OIB-GRY</b>	Grey	L:1601mm W:1294mm H:1200mm

## OLYMPIC DECLINE BENCH

---

Strong, stable and sleek decline weight bench to strengthen your chest.

- Decline position means you can give your chest a more-rounded strength workout with two catch positions to hold the bar
- Recessed area provides room for a spotter
- Quality fine-grade upholstery for added durability, comfort and protection
- High-density foam rollers add comfort when securing your legs
- Rubber feet that don't mark the floor
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-ODB-BLK</b>	Black	L:1990mm W:1294mm H:1199mm
<b>JL-ODB-GRY</b>	Grey	L:1990mm W:1294mm H:1199mm

---

## OLYMPIC SHOULDER PRESS BENCH

---

Forge stronger, more powerful shoulder muscles with this quality bench.

- Geometry of stand and angle of back pad is perfect for maximising strength gains from the shoulder press
- Comfortable and quality upholstery for added durability, comfort and protection
- Seat position can be adjusted to suit all heights
- Two-position bar catches, again to suit all heights
- Rubber feet that don't mark the floor
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-OSPB-BLK</b>	Black	L:1033mm W:1293mm H:1668mm
<b>JL-OSPB-GRY</b>	Grey	L:1033mm W:1293mm H:1668mm

---

## OLYMPIC ADJUSTABLE MULTI-BENCH

---

Versatile and incredibly strong bench that's suitable for all athletes and gym-goers looking to increase upper-body strength and power.

- Seven levels of adjustment covering flat, incline and decline positions for a huge range of exercises including incline/decline bench press, shoulder press, reverse grip bench press...
- Levels of adjustment range from -5° to 80°
- Perfect position guaranteed whatever the strength exercise thanks to indispensable guide rail
- Seven multi-position bar catchers plus four Olympic weight storage horns
- Thick oval-section steel ensures durability and stability
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-OAMB-BLK</b>	Black	L:1285mm W:1790mm H:1800mm
<b>JL-OAMB-GRY</b>	Grey	L:1285mm W:1790mm H:1800mm

## OLYMPIC SQUAT RACK BENCH

---

Durable and high-quality squat rack for weightlifting that provides the perfect foundation to build leg strength and power.

- Beginners to advanced bodybuilders can execute a range of exercises in complete safety
- Six position catch bar
- Six horns to safely hold plates and training plates
- Solid, stable steel construction that can last for decades
- Compact station takes up minimal space (L:1750mm W:1767mm H:2035mm)
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-OSR-BLK</b>	Black	L:1750mm W:1770mm H:2040mm
<b>JL-OSR-GRY</b>	Grey	L:1750mm W:1770mm H:2040mm

# OLYMPIC POWER RACK

The ultimate all-body rack that comes at a great price and offers more working room than comparable power racks.

- Suitable for an extraordinary amount of upper body and lower-body exercises including squats, barbell bent-over row, barbell curl, pull-ups and overhead press
- Oval steel construction – specifically the upper bars – is ideal for bodyweight suspension systems like Jungle Gym XT
- Includes the following: core plate/land-mine functional trainer (built in); removable dipping bars; six integrated band training loops for progressive resistance (both top and bottom); 11-bar racking height adjustments; large internal training area of 925mm; eight integrated weight storage bars (50mm); and narrow 30mm-grip chin bars with non-slip grips
- Suitable for Olympic Platform (see page 62)
- One-year warranty on frame

## COLOUR OPTIONS

<b>JTPR BLK</b>	Black	L:1290mm D:1680mm H:2445mm
<b>JTPR GRY</b>	Grey	L:1290mm D:1680mm H:2445mm

**JTPR GRY  
POWER RACK**

## SEATED CALF RAISE

---

Develop sculpted calf muscles or sports-specific power with this stable and compact piece of quality gym equipment.

- Lock in to the perfect position thanks to the adjustable and comfortable thigh pad
- Specific focus on the soleus muscle rather than the gastrocnemius muscle (that make up the calf-muscle area) because of the seated position
- Beautifully engineered with a heavy-duty steel frame and quality components
- Conveniently placed handles provide stable base to maximise exercise
- Angled weight horn allows for easier loading and unloading of Olympic plates
- One-year warranty on frame, 90 days warranty on upholstery

## GLUTE/HAM DEVELOPER

---

No-nonsense, extremely stable piece of gym equipment that strengthens and shapes glutes and hamstrings.

- Unique split-pad design increases comfort and retains stability
- Dual rollers provide mid-section and ankle support
- Multi-adjustable to suit all users
- Low-profile, solid frame perfect for all gym and home gym environments
- Great for all but particularly useful for team sports people like footballers and rugby to develop hamstrings and avoid injury
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

**JL-SCR-BLK**      Black      L:1370mm W:660mm H:980mm

**JL-SCR-GRY**      Grey      L:1370mm W:660mm H:980mm

### COLOUR OPTIONS

**JL-GHD-BLK**      Black      L:1370mm W:870mm H:1070mm

**JL-GHD-GRY**      Grey      L:1370mm W:870mm H:1070mm

## SISSY SQUAT

---

Built to remove the difficulty of performing a sissy squat whilst developing all those lower body muscles.

- Perfect addition to the gym floor for developing quads and glutes.
- Easily place calves against the pad and squat deep, great for isolating the 'tear drop'.
- High grade foam rollers and pad to provide cushioning for your lower legs
- Robust, heavy-grade flat oval steel frame with a powder coat finish.
- Add weights with high reps to intensify a lower body training session
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-SS-BLK</b>	Black	L:1160mm W:670mm H:510mm
<b>JL-SS-GRY</b>	Grey	L:1160mm W:670mm H:510mm

## 45 DEGREE HYPER EXTENSION

---

Vital but understated training equipment that strengthens lower back for peak sporting performance and eases, or prevents, spinal issues.

- Dual foot rollers clamp you in comfortably and also steer you into the perfect angle
- Adjustable pad suits all heights
- Anti-slip rubber feet mean extra stability and no slippage
- Can be used with dumbbells, sandbags or medicine balls
- Back strength is at the heart of sporting performance, be it sprinting, endurance events or bodybuilding
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-HE-BLK</b>	Black	L:1230mm W:660mm H:845mm
<b>JL-HE-GRY</b>	Grey	L:1230mm W:660mm H:845mm

## SEATED PREACHER CURL BENCH

---

Built to build those biceps, this quality steel preacher curl bench provides variation to any curling routine.

- The perfect bench for isolating the brachialis (lower bicep) which aids the flexion of your elbow
- Wide arm pads and adjustable seat height combine for a solid base to execute your bicep curls
- Aesthetic laser-cut chrome bar catches
- Robust, heavy-grade flat oval steel frame
- Perform a huge breadth of strength-building exercises with curl bars or dumbbells using whatever grip you choose, be it pronated, supinated or semi-supinated
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

<b>JL-SPCB-BLK</b>	Black	L:1080mm W:840mm H:930mm
<b>JL-SPCB-GRY</b>	Grey	L:1080mm W:840mm H:930mm

## PREMIUM HEAVY-DUTY SQUAT STAND

---

Space-saving, solid squat stand that can be used on its own, with a weights bench or with a weightlifting platform.

- Suitable for beginners through to advanced bodybuilders this highly versatile system adjusts vertically and horizontally thanks to a simple screw system
- Featuring EU and UK Registered Design, it's constructed from oval steel tubing and coated in a durable graphite grey or matte black finish
- Can be used with a full-length 7ft Olympic bar for full, leg-building squats
- Can also be used with benches or platforms for a comprehensive range of strength-building exercises
- Height of main squat hooks: maximum 1,598mm, minimum 950mm.
- One-year warranty

### COLOUR OPTIONS

<b>JTHDSS BLK</b>	Black	W:1280mm D:1450mm H:429-728mm
<b>JTHDSS GRY</b>	Grey	W:1280mm D:1450mm H:429-728mm

## I-SERIES ADJUSTABLE INCLINE/DECLINE BENCH

Great value bench that'll comfortably support a huge range of upper-body strength exercises.

- Ten angles of adjustment from  $-10^{\circ}$  to  $85^{\circ}$  for a variety of upper-body exercises including chest press, seated shoulder press and seated curls
- Can be used with dumbbells, barbells, cables, curl bars or tricep bars.
- Added stability thanks to anti-slip rubber feet
- Quality upholstery available in red, blue or black
- One-year warranty on frame, 90 days warranty on upholstery

### COLOUR OPTIONS

## GYM RINGS

Arguably the most proven piece of bodyweight training equipment around, gym rings build strength, lean muscle and are ideal for flexibility gains.

- The perfect training tool for functional gym training, CrossFit, gymnastics and athletics
- The original suspension training system so perfect for pull-ups or dips
- Great for exercises including muscle-ups and iron-cross drills
- Adjustable band length to suit different heights and to vary the resistance
- Available in plastic or classic wood
- One-year warranty

### PRODUCT INFORMATION

**JLGR** ABS Plastic gym rings (set)

**JLGYMR28** Wooden Gym Rings 28mm

**JLGYMR32** Wooden Gym rings 32mm

## **LIFELINE® USA**

Lifeline are a market leader in the supply of training tools that define the benchmark in professional grade fitness equipment used for Bodyweight, Progressive Variable Resistance and Athletic Training. Lifeline's original Jungle Gym started the body weight suspension system movement and they continue to bring to market innovative tools, like their Powerwheel, offering commercial gyms and consumers great value fitness essentials.

## JUNGLE GYM® XT

Fantastic suspension trainer whose versatility will result in a more powerful whole-body workout.

- Its unique split design means you can quickly and easily adjust the forces on your body by changing the width of the system, meaning it morphs from a V-shaped to neutral to wide-angle suspension trainer
- Dual straps allow anchor points to be moved closer or further apart to alter training stress
- Works your whole body whether you're executing press-ups, pull-ups or simple stretches
- Rubber handle is durable, comfortable and easy to clean; solid offset heel straps ensure greater ease of access and comfort
- There's no need to clip a foot cradle on, it is all ready to go
- One-year warranty

### PRODUCT INFORMATION

**JLJG-XT** Two industrial suspension straps (8 feet each); Two integrated easy-wipe handles and easy-in foot cradles; Two comfortable in-line adjustment buckles; Two non-scuff door anchors and two strap end adjustor's; One Non-Scuff Duro-Link Anchor

---

## JUNGLE GYM® V3

This dual-mode, versatile bodyweight & resistance cable trainer offers an endless number of exercises and body movements.

- Adjustable anchor strap offers 8 new height adjustments and 360° rotating swivel allows fluid movement between push and pull exercises.
- Integrated non-scuff door anchors allow easy, safe, non-scuff connection to door whilst quick adjustable buckle allows quick strap length adjustment for movement between exercises and positions.
- Ergonomic handles incorporate an easy-in foot cradle made from a non-slip comfortable rubber material.
- Made using durable natural latex, Lifeline's Progressive Layering Technology™ creates super-strong cables that are more durable than common extruded fitness tubes.
- Split anchor design allows users to quickly and easily adjust the forces on the body by changing the width of the anchor point
- One-year warranty

### PRODUCT INFORMATION

**JLJG-V3** Two Adjustable Suspension Straps featuring: Non-Slip Handle; Easy-In Foot Cradle; Non-Scuff Door Anchor; Adjustable Length Technology & Patented 2-in-1 Dual-Mode Bodyweight & Resistance Cable System.  
(2) Lifeline Resistance Cable-R3 -30lb  
(2) Lifeline Resistance Cable- R5-50lb  
(1) Adjustable Anchor Strap with 360° Rotating Swivel Carry Bag  
(30) Exercise Cards for Beginner, Intermediate & Advanced Users

---

## JUNGLE GYM® XT STRAP EXTENDERS

---

Extend your workouts with this simple and reliable training add-on.

- Add up to 8ft to your Jungle Gym XT
- Simply attaches to a range of immovable objects including beams and poles or clips to carabiners
- The four-layer cinch loop is designed to grip rough surfaces
- Adjustable for a customised fit
- Contents: two industrial suspension straps (8ft each); two Dupont Zytel cam buckles; two Velcro excess strap-wraps; and one instructional brochure
- One-year warranty

## POWER WHEEL

---

Send your strength to another level and enjoy the ultimate core workout with arguably the finest, most durable wheel on the market.

- Independent research undertaken from the University of California, Berkeley, states the Lifeline Power Wheel is 'The Best Core Trainer in the World'
- Simply strap your feet into the adjustable fasteners and, depending on your position, challenge your abs, obliques, back, hips and glutes
- That's not all – you'll also enjoy strength development in your chest, hamstrings and calves
- The 13-inch wheel features a knobby design for better grip
- Can be used with hands and feet, both indoors and out
- One-year warranty

### PRODUCT INFORMATION

**JL-PW-2C** 13" Diameter Wheel. 22" Wide Handle is shoulder width apart. Foot Stirrups hip width apart.

---

## HEAVY WEIGHTED SPEED ROPES

---

Fire up your speed, stamina and strength with either a 'heavy' or 'extra heavy' speed rope.

- Skipping is tough. Skipping with the heavy-weighted speed rope is even tougher. But the result? Greater strength and stamina gains whatever your sport
- Speed rope comes in 'heavy' (0.75lb) or 'extra heavy' (1.25lbs) options. Both are 10ft long
- Patented length-adjustment feature ensures this rope works for everyone, whatever your height
- Durable ball-bearing handles guarantee smooth, reliable action
- Comes with 'Your Guide to Jump Fitness', written by Bobby Hinds, 'The Jump Rope King'
- One-year warranty

### PRODUCT INFORMATION

**JL-WSR-H** Heavy weighted speed rope 340g (Red)

**JL-WSR-X** Extra-heavy weighted speed rope 567g (Black)
