

OPTIMIZE YOURSELF WITH ROUGE RED LIGHT THERAPY

With More Than 2.75X the Power Density of Our Most Popular Competitor, It's No Wonder That Rouge is The #1 Choice for Serious Athletes and Biohackers, Worldwide.

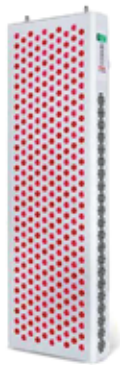

Say goodbye to clunky modular panels and hello to the massive Rouge Ultimate - a robust yet elegant one-piece 6,000 watt red light therapy panel that is large enough to cover your entire body from the tip of your toes to the top of your head, no matter how big and tall you may be.

The Rouge Ultimate features the same quality build Rouge is known for, it uses 1200 5 watt LEDs for an industry leading 6000 watt RLT panel that provides absolutely unparalleled irradiance at 161 mw/cm² at 6 inches.

It's perfect for at home treatments, but also popular for salons, spas, training rooms, yoga rooms, and gym locker rooms.
