enby

affirmation ✶ pleasure
enby who?

enby is your one stop shop for all things lusty. We are a Black/Trans owned company and believe that all bodies deserve affirmation and pleasure. We strive to create a safer, and more comfortable sex-toy shopping experience for the Queer community and more specifically gender non-conforming, trans and non-binary people.
More than a sex toy shop

Not only do we provide toys for all bodies, gender affirming products and must have naughty home decor, we are sensualists with a mission! In fact, we are currently in the process of receiving our certified B-Corp status. 2% of all proceeds are donated to a rotating list of small underfunded organizations focused on improving the lives of Queer/Trans People of Color*. What’s more, we are doing our part to fight climate change by way of carbon neutrality! This means that every sale funds renewable energy and forest conservation projects.

Our Products

We strive to have a vast collection of curated products by and for our community. This means that we not only carry brands that we all know and love, but also products by queer and trans owned small boutique brands and artists.
