

BAL
BALTIC LINEN

Our collection 2020 - 2021

Our products are inspired by the people and world around us. Beautiful, high-quality goods that are designed especially for you. Discover our story and meet people who made our brand as it is.

"Baltic Linen" company has a strong experienced team, that has been working together for almost 20 years. Baltic Linen's customers consist mainly of Scandinavian fashion design companies.

We have gained product development experience in the whole value-chain, from fashion concept development to sample making. We work with almost all fabrics, making suits, jackets, pants, dresses, etc, for men, ladies, and children.

"Baltic linen" is a garment manufacturer, offering its customers a full package of services, such as design, pattern making, and pattern grading service, marker making, cutting, sewing service, packing, and all types of garment washing. We provide all kinds of extra services, such as making special sizes, embroidery on garments.

Packaging can be customized according to customer's instructions and needs.
