Why settle for a plush toy with one face when you can have six? Happy, sad, surprised, angry, amused and sleepy. Each of the six facial expressions are revealed with just a simple turn of the knob or a flip of the face. Every Whatsitsface friend is sure to be an endless source of fun, not to mention a great tool for teaching little ones about emotions. It's been thoroughly safety tested for kids aged 0-100! This is a cat who knows where its at. Curious, cute and feisty, this kitten loves kids, cat naps and running in circles. She makes the purr-fect friend!
Why settle for a plush toy with one face when you can have six? Happy, sad, surprised, angry, amused and sleepy. Each of the six facial expressions are revealed with just a simple turn of the knob or a flip of the face. Every Whatsitsface friend is sure to be an endless source of fun, not to mention a great tool for teaching little ones about emotions. It's been thoroughly safety tested for kids aged 0-100! Your new best friend, is a curious, loving and sweet puppy who loves snuggles, tummy rubs and chasing the cats.
Why settle for a plush toy with one face when you can have six? Happy, sad, surprised, angry, amused and sleepy. Each of the six facial expressions are revealed with just a simple turn of the knob or a flip of the face. Every Whatsitsface friend is sure to be an endless source of fun, not to mention a great tool for teaching little ones about emotions. It's been thoroughly safety tested for kids aged 0-100! Huggable and snuggable but fierce enough to chase away the boogie-man. This Teddy Bear loves tacos, sports and kisses.
