

TECHNICAL DATA SHEET

Sports-Cote GMC Platinum

Premium Grass Line Marking Paint

Description

Sports-Cote GMC Platinum is a super-concentrated white water based line marking paint designed for application to natural grass and shale sports surfaces.

Sports-Cote GMC Platinum is formulated using advanced resin technology and provides optimum adhesion and durable lines in all weather conditions.

Sports-Cote GMC Platinum is highly pigmented, ensuring a highly visible line throughout its service life.

Advantages

- Free-flowing, easy to use and clog resistant
- Highly pigmented, bright white formulation
- Excellent adhesion to natural grass surfaces
- Easy application using wheel to wheel machines
- Drying time of approximately 60 minutes at 20 °C

Uses

Sports-Cote GMC Platinum is used to line mark activity areas on natural grass and shale sports surfaces and can be used with any line marking machine.

Sports-Cote GMC Platinum acrylic resin content ensures optimum adhesion, durability and colour stability. Its free-flowing formulation makes for a quick and easy dilution in water, with the paint being applied by any suitable line marking machine. When used with Sports Coatings colourants,

Sports-Cote GMC Platinum can also be used as a base to mark different coloured lines.

Technical Performance

Touch dry time: 60 minutes at 20 °C.

Shelf Life and Storage

12 months in unopened containers stored under good conditions.
Store between 5 °C and 30 °C. Protect from frost.

Packaging

12.5 litre pails.

Further Information

To ensure you are specifying or applying a fit for purpose coating please contact our Technical Services Department.

Application

Application Conditions

Sports-Cote GMC Platinum can be applied by any suitable spray or transfer-wheel machine (contact our Technical Services Department for more information).

Shake well before use.

Mix in a clean container and stir well.

Clean machine after use.

Line marking machines can be cleaned with **Sports-Cote GMC Powerflush** (see the Sports-Cote GMC Powerflush Technical Data Sheet).

Sports-Cote GMC Platinum should only be applied in fine, dry weather and when these conditions are unlikely to change.

Special Recommendations

- Do not apply with risk of rain
- Do not apply below 5 °C or above 30 °C
- Remove loose grass clippings as they can be picked up by the marker wheel and clog up the machine

Health and Safety

Sports-Cote GMC Platinum is a water-based coating, making it relatively safe to use and minimising the risk of environmental impact from its usage. For more detailed information, please refer to Sports-Cote GMC Platinum's current Material Safety Data Sheet.
