CHEVY NOSTALGIA-FALL

COLOR CHART

The smell of fall is in the air as this old Chevy heads for the county Farmer's Market with a huge load of colorful pumpkins, squash and other garden delights. Billy Creek Designs By Marilyn Lee @ 2018

I digitize my designs using PE-Next(PES) and Floriani software programs. I use Isacord thread to test sew all of my designs. Thread colors can change during format conversions so it is important to use this color chart for correct color placement. The colors I use to digitize the design are not necessarily the colors that I embroider the design with. I have listed the color of thread that I embroidered the design with.
