

# Color Chart- Hummingbird/Zinnia, Single Hummingbird and Single Zinnia-all sizes

I digitize my designs using PE-Design Next(PES) and Floriani software programs. I use Isacord thread to test sew all of my designs. Thread colors can change during format conversions so it is important to use this color chart for correct color placement. I have listed all of the Isacord thread colors that were used.

## Sewing Order

1. Medium Gray-0152 Inner Wings
2. Silver-0182 Bottom wings
3. Dark Gray-3265 Top inner wings
