# Color Chart- Rose

I digitize my designs using PE-Design Next(PES) and Floriani software programs. I use Isacord thread to test sew all of my designs. Thread colors can change during format conversions so it is important to use this color chart for correct color placement. I have listed all of the Isacord thread colors that were used.

SEWING ORDER

1. Olive Green-5934
   Main leaves
2. Light Olive Green-6133
   Main leaves shading
3. Medium Green-5633
